PROGRAM DETAILS

What is the Bridge Program? Eastern Wyoming College is hosting a program that was created to help students brush up on math, reading, and English skills just before their first semester at EWC. The intense academic instruction will be accompanied by sessions on study skills and making a healthy transition into college life at EWC. Bridge Program Students retake the COMPASS Placement Exam at the end of the program and can possibly place into higher level math, reading, or English classes. Higher test results can mean skipping a developmental level course and saving time and money!

Who is invited to the Bridge Program? Based on COMPASS Placement Exam scores, only those students that would most benefit by participating in the Bridge Program are being invited. Students who do not immediately meet the invitation criteria for the Bridge Program may request to be placed on a waiting list for the program.

When is the Bridge Program? The Bridge Program begins at 4:00 p.m. on Monday, August 18, 2008 and ends at approximately 5:00 p.m. on Sunday, August 24, 2008. Check-in will be at the Student Center.

Where is the Bridge Program? Eastern Wyoming College is located at 3200 West C Street, in Torrington, Wyoming. Most activities for the Bridge Program will be held on-campus and will give Bridge Program Students the opportunity to get familiar with the classrooms and buildings on-campus. Transportation to any off-campus activities will be provided.

How much does it cost to participate in the Bridge Program? There is no cost to participate in the Bridge Program. It is free! Gratis! No charge! In fact, students will receive fun stuff by participating in the program.

How do students apply/register to participate in the Bridge Program? To apply/register for the Bridge Program, please call or email Andrea Bryant at 307.532.8378 or andrea.bryant@ewc.wy.edu. The registration deadline is August 1, 2008. We recommend students register as soon as possible because we are limited to 24 participants and we expect the spots to fill quickly! Students will be notified of their acceptance into the program within two weeks from when their application/registration materials have been received.

Where will students stay during the Bridge Program? We have made special arrangements with the Housing Office for the Bridge Program Students to stay in the EWC Residence Halls during the Bridge Program free of charge. Students are not required to stay in the residence halls, but are invited to do so.
