

## **Eastern Wyoming College prepares for accreditation visit**

Eastern Wyoming College seeks public comments in preparation for an October evaluation by its regional accrediting agency, the Higher Learning Commission of the North Central Association of Colleges and Schools.

EWC will undergo a comprehensive evaluation visit October 25-27 by a team representing the commission.

Accreditation engages the school community in meeting high quality standards, implementing a continuous improvement process, and engaging in quality assurance through internal and external review.

Comments should be sent to Public Comment on Eastern Wyoming College, the Higher Learning Commission, 30 N. LaSalle Street, Suite 2400, Chicago, IL 60602.

According to commission guidelines, comments must address “substantive matters related to the quality of the institution or its academic programs.” Guidelines require comments to be in writing and signed; comments cannot be treated as confidential.
