Family of [REDACTED]  
PO Box 458  
Simla CO 80835

Dear Family:

We greatly appreciate your students' attendance at Eastern Wyoming College this Fall. While I have not had the chance to meet every student, this certainly appears to be a great group of young people with a lot of ability, energy, and cheerfulness.

Laurie Jenkins, Food Services Manager at EWC, would appreciate your help. If your student has a favorite recipe, would you please send it to Laurie or myself. It is fine to e-mail the recipe to [laurie.jenkins@ewc.wy.edu](mailto:laurie.jenkins@ewc.wy.edu). Her staff will attempt to prepare this dish at one of our meal settings. It could be a main dish, dessert, cookies, etc.

If you do submit a recipe we would also appreciate an "old", maybe a baby picture (one that need not be returned) of your student. We are not only attempting to prepare their favorite recipe, but also have the other students guess whose favorite recipe was served. At the end of the year we publish a pamphlet of "EWC Student Favorite Recipes" and will give this to each student.

Thank you for your consideration, and as always, we are here to assist your student in their educational experience. If they encounter any problems, please let me know.

Sincerely,

Dr. Rex Cogdill  
Dean of Students
