We value...

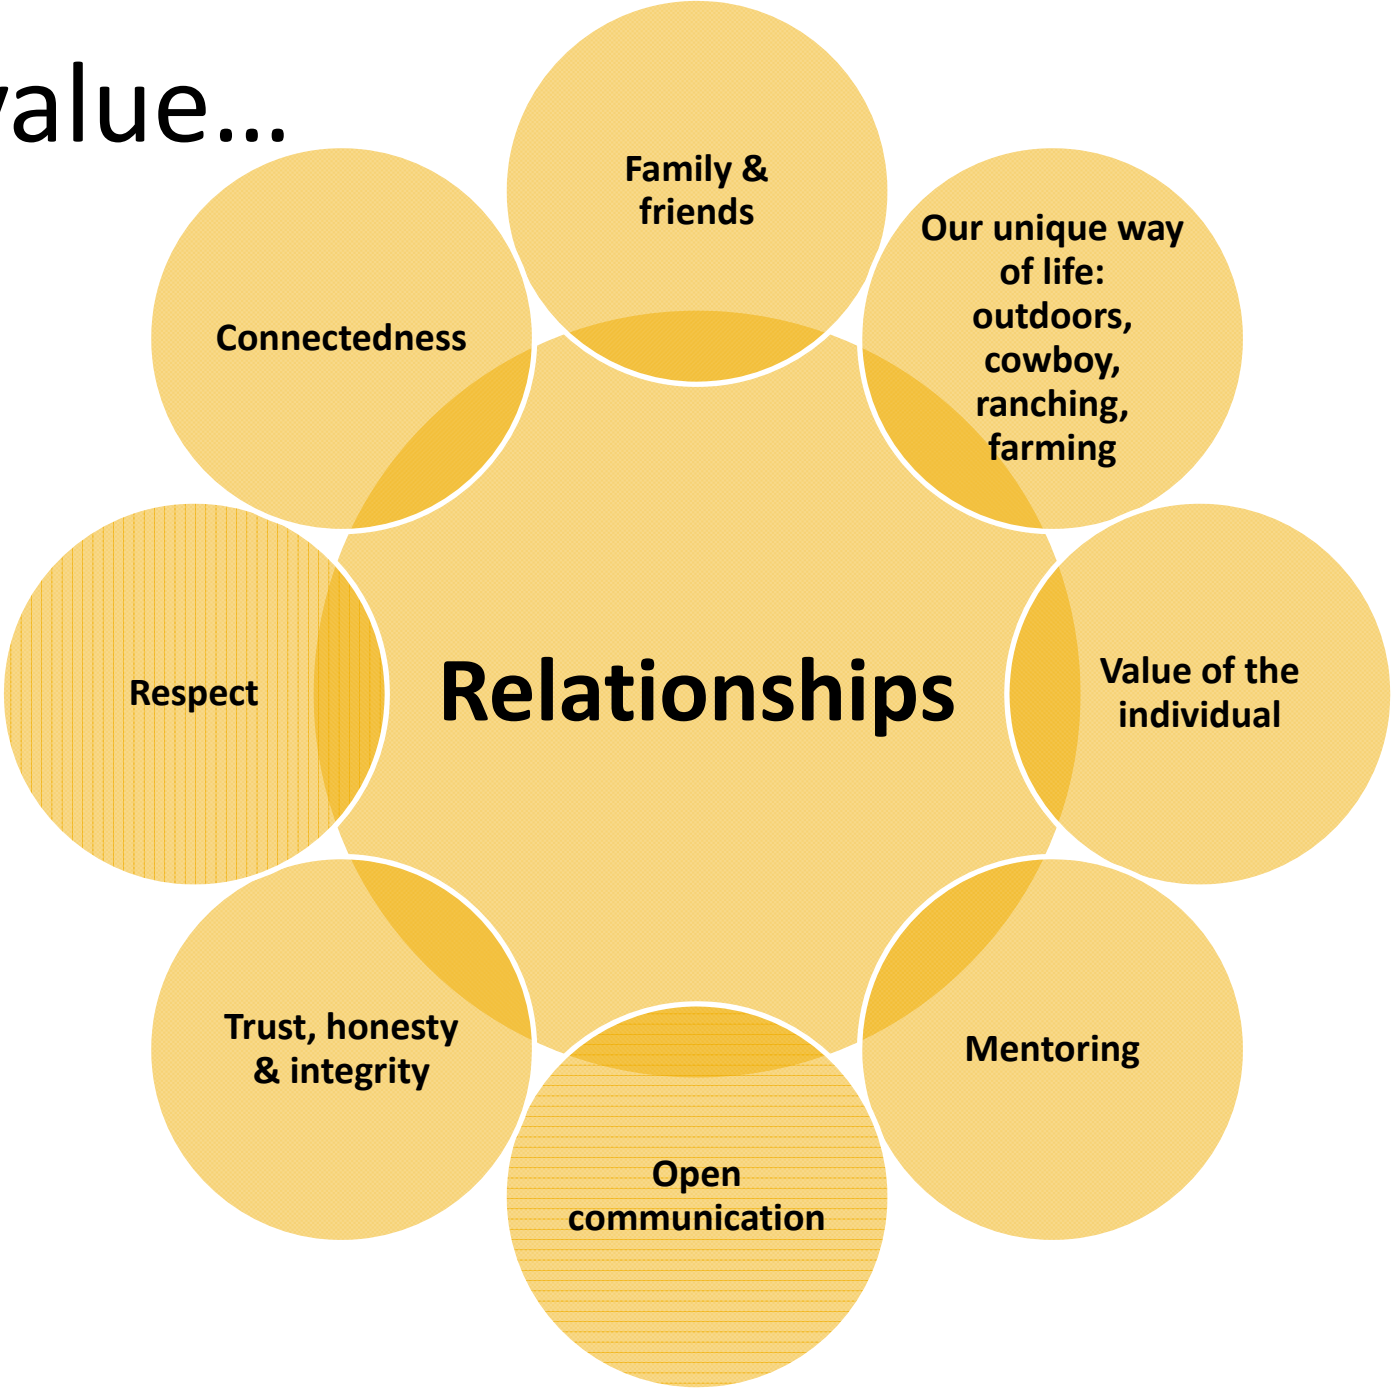

We value...

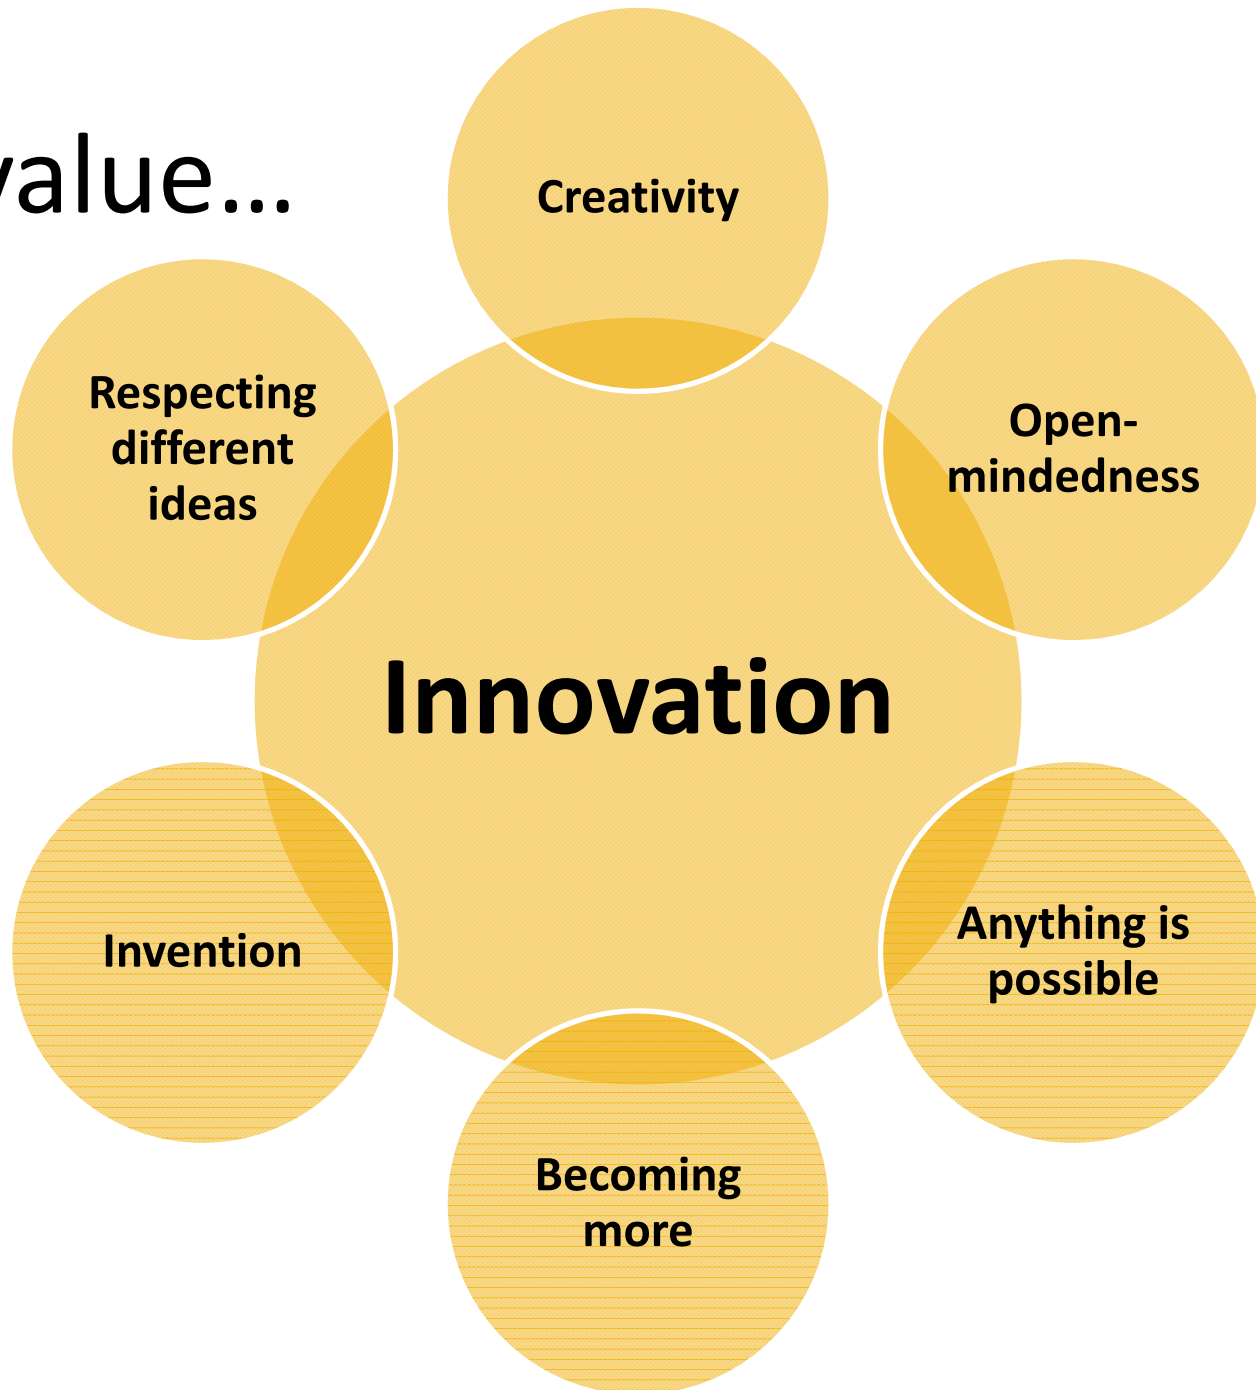

We value...

We value...

We value...

We value...

We value...

**Assume
good will**

**Find good
in all we
do**

**Find
beauty in
the earth**

Positivity

**Be
grateful**

**Support
others**

**Live well,
laugh
often,
love much**

We value...

Eastern Wyoming College will be a **dynamic center for education, acting as a catalyst for individual growth, community engagement and global impact.**

Thoughtfully prepare our organization and **our** people for changing and dynamic times

Promote high quality, **accessible** learning experiences through responsive programs of distinction aligned with current & future opportunities

Embrace and invest in technology and modern facilities

Positively influence the economy and enhance the **quality of life** for **individuals, families,** the community and region

Recognize and extend our **global** reach

Next Steps

- Develop Vital Initiatives with Data Analysis Team
- Identify Key Predictive Indicators (KPI's)
 - Satisfaction (ie., CCSSE)
 - Efficiency (ie., retention rates)
 - Effectiveness (ie., national test pass rates)
- Develop Action Plans that align with strategic directions and vital initiatives
 - Starts February 27th
