North American Indian Thought & Culture

North American Indian Thought and Culture contains over 119,000 pages of text and images. Included are biographies, auto-biographies, personal narratives, speeches, diaries, letters, and oral histories. The database represents the largest compilation ever created of biographical information on indigenous peoples from all areas of North America.

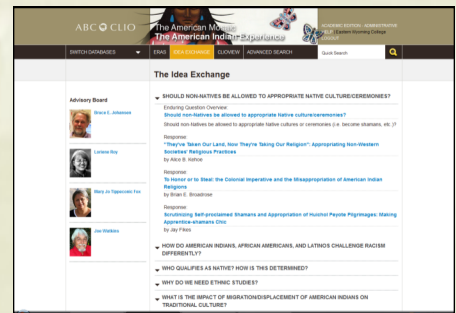

Native American Archives

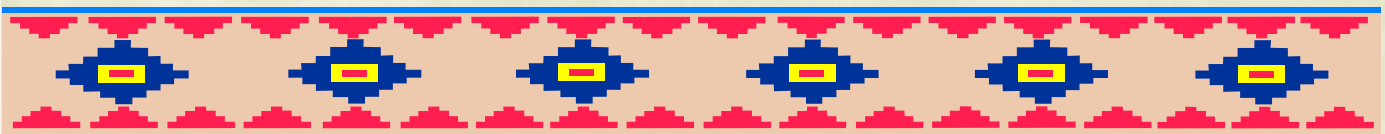

Whether tracing your heritage or learning about Native American history, original records shed new light on the people and events of the past. Over 1.5 million images available for the first time on the Internet.

American Indian Experience

American Indian Experience is an invaluable digital resource that provides in-depth historical accounts and cultural information about the indigenous peoples of North America.

“The battle, sir, is not to the strong alone; it is to the vigilant, the active, the brave.” —Patrick Henry
