

**EASTERN WYOMING COLLEGE
PART-TIME GRANT-IN-AID APPLICATION**

Grants-in-Aid may be offered to individuals demonstrating need and/or academic potential who plan to enroll for 6-11 credit hours. The grants will entitle those selected to have their in-state tuition waived. (Recipients who are out-of-state or WUE students must pay the difference between the in-state and the out-state/WUE rates.) In addition, recipients will receive \$125 at the beginning of each semester to assist them with the cost of books.

Applicants must have received a high school diploma or GED. For you to be considered for this grant, an official copy of your high school transcript or GED must be on file in the Admissions Office. If you have attended any other colleges, a transcript from each college must also be on file.

Recipients must maintain a 2.00 ("C") average in all courses taken. The Part-Time Grant-in-Aid may be renewed for a total of four semesters so long as the recipient maintains a 2.00 average and carries a minimum of 6 hours each consecutive semester.
