Educational Goal Plan

Directions: Complete the blanks below. This form should be completed by the student and given to the instructor after the orientation process has been completed. The instructor will transfer these student defined short term and long term goals to the State approved goal setting form. Both student and instructor signatures will be required on the State form. A copy of this plan must be given to the student for reference and a copy must be retained by the Center.

I, _____, have selected the following **short term** goals:

- Receipt of GED
- Placement in post-secondary education or training
- Enter (gain) employment
- Retain employment
- Increase involvement in children's education
- Achieve citizenship skills
- Complete work-place project learner goal
- Improve literacy skills in Math
- Improve literacy skills in Reading
- Improve literacy skills in Writing
- Learn to speak English so that I can communicate effectively in society
- Learn to read/write in English so that I can function better in society
- Other Personal Goal: _____ (please define).

My **long term** goals are:

- Receipt of GED
- Placement in post-secondary education or training
- Enter (gain) employment
- Retain employment
- Increase involvement in children's education
- Achieve citizenship skills
- Complete work-place project learner goal
- Improve literacy skills in Math
- Improve literacy skills in Reading
- Improve literacy skills in Writing
- Learn to speak English so that I can communicate effectively in society
- Learn to read/write in English so that I can function better in society
- Other Personal Goal: _____ (please define).
