SCHOLARSHIP CRITERIA

Application Criteria:

Students must complete this form to be considered for new or additional EWC institutional or Foundation awards. You will be considered for all scholarships for which you meet eligibility requirements. In some instances, a separate application form is also required. Please visit the EWC Scholarship page at <http://new.ewc.wy.edu/future-students/financial-aid/scholarships/> for details and applications (if required). Applications are also available in the Financial Aid Office.

Eligibility Criteria:

Eligibility requirements differ from one scholarship program to another. Criteria from various scholarship programs may relate to GPA, credit hours completed, high school affiliation, county of residence, organization membership or affiliation, enrollment level, major, etc. Please review the selection standards carefully before submitting a scholarship application.

To receive scholarship aid, students must meet the requirements of each specific scholarship awarded, as outlined in the *Scholarship Award Letter* the student receives from the Financial Aid Office when the scholarship is awarded. ALL scholarships require at least a 2.0 cumulative GPA and most follow federal eligibility requirements. Many scholarships require the student to complete the Free Application for Federal Student Aid (FAFSA) to demonstrate financial need.
