ARTstor

The Artstor Digital Library is a non-profit resource that provides over 1.6 million digital images in the arts, architecture, humanities, and sciences with an accessible suite of software tools for teaching and research. The community-built collections comprise contributions from outstanding international museums, photographers, libraries, scholars, photo archives, and artists and artists' estates.

Users can search, sort, view, organize and share images.

Films on Demand

Films On Demand is a state-of-the-art streaming video platform that makes it easier than ever to incorporate outstanding educational video content into your curriculum.

EWC has access to over 700 videos alone in art and architecture. You can opt to view the whole video or just short segments. URL's can be embedded into your online classes or you can show them in face to face classes as well.
