*Students should meet with their academic advisor to develop an academic plan that meets the program requirements as well as the EWC's general studies expectations.

**Note: If a student has completed 24-28 credit hours of program requirements in Business Administration, AA Degree; Pre-professional, AS Degree; or Education, AA & AS Degrees; he/she may be eligible to take those program Outcomes Assessment activities instead of HMDV 2000. This requires the permission of one of the Division Chairs.

This degree requirement sheet is NOT a substitute for meeting with your academic advisor. The requirements listed here are a minimum for graduation from Eastern Wyoming College but ultimately the responsibility for all requirements is the students'. The EWC catalog is the final document for determining courses and requirements.
