Spring 2015
Welcome to the Spring 2015 Semester!

As you look through our brochure, you’ll note that we have a variety of credit and non-credit courses offered in Douglas and Glenrock or even online. If you are working toward earning a degree or satisfying a personal interest, it is very likely that you will find something here to help you on that journey.

Construction on the new EWC/Douglas building is nearly completed. We hope the new campus will be ready mid-semester so that classes may be moved to the new site during Spring Break. Graduation for the class of 2015 will be held on the new campus. The new campus is certainly an exciting addition to Converse County!

The faculty and staff are eager to see you on campus. Give us a call if you have questions about what is available this spring or to set up an appointment with an advisor.

Hope to see you soon!

Recognizing the Emotional Root to Your Physical Ailment

Nina Barrow
If we treat just the physical response, many times we will have a limited impact. If we treat the underlying emotional response, we can potentially have a more lasting impact. "The body says what words cannot." It is true that much of our pain is difficult, if not impossible to express in words. When a piano is out of tune, people with a trained ear know what must be done. Our bodies are instruments giving us feedback. We must train our ears to listen.

### Computer Skills for the Workplace

Most jobs today require a working knowledge of certain computer skills. Employers seek and reward employees with the skills and knowledge to send messages across the country via e-mail; use a spreadsheet to create a graph and paste it into a report; add and edit data in a database; understand the implications of file sizes, memory limitations, and network arrangements; and recognize the function and features of modern computer components. Any job candidate who already possesses these skills will stand above those who do not.

- **Intermediate Microsoft Word 2010**
  - Microsoft Word 2010 is a powerful and popular program, yet most people use only a fraction of its features. In this course, you’ll learn Microsoft Word’s more advanced features, which can make writing easier, faster, and more fun. You’ll improve your creativity and efficiency at the same time!

Financial Aid
Degree-seeking students at EWC’s Outreach Centers are eligible for the same types of financial aid as Torrington campus students. All students should first submit the Free Application for Federal Student Aid (FAFSA) annually at https://studentaid.gov. Completing the FAFSA determines a student’s eligibility for the Title IV Federal Financial Aid Programs, including the Pell Grant, Federal Supplemental Educational Opportunity Grant, and Direct student and parent loans. The priority deadline for applying for federal aid is March 15, although students may apply any time during the academic year, as Pell and loan funding is not limited. The Douglas Campus also has three student employment positions available each year.

In addition, first-time freshman students should apply for EWC’s institutional scholarships and Foundation awards. Most scholarships require submission of an admission application and high school transcripts by March 15 each year. Returning students should complete the Continuing Student Scholarship Application by June 1 following their freshman year to be considered for scholarships during their sophomore year. Scholarships requiring individual applications are listed on EWC’s website; deadlines vary. The Outreach Incentive Grant is one scholarship specifically for students attending any Outreach Center that pays tuition for enrollment of five credits or more for one year provided the student maintains at least a 2.0 cumulative GPA. Application can be made through the Center’s Outreach Coordinator.

The Hathaway Scholarship is available to Wyoming high school graduates attending a Wyoming community college or the University of Wyoming within two years of graduation. The program consists of four separate merit scholarships, each with specific eligibility requirements, and a need-based scholarship that supplements the merit awards for eligible students. Students may find out more about the Hathaway program at http://edu.wyoming.gov/Programs/hathaway.aspx and can estimate their award level at http://www.wyo4ed.org/hathaway-calculator. The Hathaway application and all documentation must be submitted prior to the first day of the semester in which the student wishes to initiate the scholarship.

Students must complete an EWC Application for Admission and submit final and official high school or GED transcripts, plus official transcripts from any other college attended, before receiving any aid. Students who have enough verified financial aid awarded to cover their outstanding balance are allowed to charge their books at the EWC Bookstore for a limited time at the beginning of each semester; Outreach students who order books online by the deadline receive free shipping.

For specific financial aid information, please call the Financial Aid Office at 307.532.8224 or 866.327.8996. You may also obtain financial aid information from EWC’s website, ewc.wy.edu.

For information about veterans educational benefits, please contact the VA Certifying Official at 307.532.8334.

Textbooks
Textbooks can be purchased online at ewc.wy.edu (Bookstore - Books - Textbooks & Course Materials). If you need more information on how to purchase textbooks online, please call or stop by the Douglas or Glenrock office.

New book returns are only allowed with a valid receipt and/or packing slip. All items unopened and in original condition returned within 30 days of purchase may be refunded to the original form of tender. For any additional information regarding the return policy contact the EWC/Follett bookstore. Students are expected to pay for all books, supplies, materials and any other charges or fees directly applicable to a particular course.

*Students who have been awarded grants/loans, and who will be using financial aid to pay for textbooks, will have the option of choosing financial aid as a method of payment. However, you must first log in to LancerNet to give authorization to use financial aid to pay for charges. An e-mail confirmation will be sent to your EWC LancerNet e-mail upon receipt of the authorization. If you have any questions in regards to charging your textbooks online with financial aid, please contact Susan Stephenson, the Financial Aid Director.
Payment Options
Payment for tuition and fees can be made online through your student account on LancerNet, by check, or by phone using a credit/debit card and calling the EWC Business Office at (307) 532-8205. If you are paying by credit/debit card, you may use Visa, MasterCard, or Discover. If enrolled in at least 3 credit hours, you may also use the EWC Payment Plan which allows for 2 payments, with the first payment due January 12, 2015. Please contact the Outreach Coordinator for additional information.

Refunds
Full refunds will be made for courses that are cancelled due to insufficient enrollment.
The last day a student is eligible to drop regular semester classes is Thursday April 23 at 4:00 pm. The following information discusses how courses are refunded for dropped classes:
• You must notify the EWC Outreach office to drop a course and receive a refund.
• Tuition and fees are refunded in full through eight calendar days, beginning with the first day of class.
• Tuition refund is 25 percent through 29 calendar days, beginning with the first day of class, with no refund for activity and use fees.
• After 29 calendar days, there is no refund.

Tutoring
SMARTHINKING is a free tutoring program available to our students. It is a live, online, personalized learning assistance program for math, writing, business and science. EWC Learning Skills Lab tutors can assist you. To contact an EWC Learning Skills Lab tutor call 1-866-392-3478. Please contact my office if you need additional information on how to access and use both tutoring services.

Distance Learning Courses
Compressed Video (CV)
CV – designates a class offered in a Compressed Video classroom (part of Wyoming Equality Network – WEN).

Internet (INET)
INET – designates an Internet delivery course. To enroll in an Internet delivery course, you must have access to the Internet and e-mail. These courses consist of weekly postings from the instructor, frequent e-mails, suggested websites for further information, assigned readings and activities. In addition, the course will probably include a textbook, study guide and written assignments.

Outreach activity, use, and technology fees are $16 per credit hour. Some courses also have course fees. Please see the college catalog for a complete listing of fees.

Residents 60 Years of Age or Older
EWC will grant a tuition waiver to any person who is a resident of the State of Wyoming and who is 60 years of age or older. The waiver covers the tuition charges on credit courses, but does not cover the cost of fees, books, materials, supplies, or other incidental charges. Please contact the Outreach Coordinator to request the waiver.

  Apply for a Library Card Online
• If a book or article is not available in full-text, then use Interlibrary Loan to request the item.
• Materials are sent free of charge. You are expected to pay the return postage on books. Copies of articles do not need to be returned.
• If the item is available at EWC Library it will be sent as soon as possible.
• If the item has to be borrowed from another library it may take 2-3 weeks. Articles are received more quickly than books.

CIRCULATION POLICY
As EWC is a community college, it is the responsibility of the library to cooperate in offering the services of the library to meet the needs of the students, staff and community.

• BOOKS AND PERIODICALS
Books are checked out for one month, periodicals for two weeks and other items as necessary. Renewals are limited but can be requested unless there is a call for material by another patron. Materials may be renewed via the WyLD CAT, by phone or in person. Call 307.532.8210 (800.658.3195 and ask for ext. 8210) for assistance.

• FINES
Fines are not levied on materials other than reserve items. However, no further checkouts will be permitted until materials are returned. EWC students will have holds placed on registration until materials are returned.

• LOST MATERIALS
A charge will be levied for lost materials. The patron will be charged the current replacement price plus a processing fee of $15.00 for each lost book. EWC students will have holds placed on registration until materials are returned or the replacement costs are paid.

EASTERN WYOMING COLLEGE CLASSES AT DOUGLAS HIGH SCHOOL GLENROCK HIGH SCHOOL

Our state believes in its young people and proves it by offering qualified high school students a chance to take college classes for FREE. Concurrent and Dual Enrollment classes are offered through Eastern Wyoming College. These classes count for both high school and college credit. Concurrent Enrollment courses are taught by EWC approved high school teachers at Douglas High School and Glenrock High School. Dual Enrollment courses are college courses taught by EWC and are taught on EWC’s Douglas and Torrington campuses, Douglas High School and Glenrock High School.

Students will benefit from these college classes for high school students in many ways:

• Students get a chance to try out college classes and earn credits toward a two year or four year degree or career/technical certificate.
• If students apply themselves, they could earn a degree or certificate by the time they graduate from high school.
• Students will discover this program is a two-for-one deal: classes count for both high school graduation and college credit.
• Students will be challenged through rigorous college classes while getting a running start at college.
• If a student is a senior, they will avoid "senioritis" by taking relevant classes and starting a college degree or certificate program.
• Students will save money when they go to college because they will not have to stay as long or pay for as many classes. And, the Hathaway Scholarship dollars will stretch further.

Students can enroll in classes at Douglas High School and Glenrock High School if they are eligible and have met course requirements. For more information, students need to contact a school counselor at Douglas High School or Sue McBride (EWC Douglas Campus Director) or the school counselor at Glenrock High School or Margaret Farley (EWC Glenrock Outreach Coordinator).

Parents and students can also contact Mike Durfee at Eastern Wyoming College – Torrington for more information 307.532.8346

The Pied Piper, an original adaptation of the classic children’s tale. What do you do when your town is overrun by ravenous rats? Sara, an orphan girl, and the other townspeople of Hamelin town turn to the mayor of Hamelin and his council when their town is threatened. They then call on the Pied Piper to save them from the troublesome creatures. The mayor’s son and daughter and the cooks also join in the endeavor. Find out what happens when the town is unable to pay the Piper and the children are led away from the town along with the rats!

This spring’s production of the Missoula Children’s Theatre will be presented **Saturday, March 28, 2015, at 3:00 pm and 5:30 pm in the GIMS auditorium.** Auditions for this performance will begin on Monday, March 23, 2015 at 3:30 pm at the GIMS auditorium. All kindergarten through 12th grade students are encouraged to audition for this performance. Professional directors/actors from the Missoula Children’s Theatre will be on hand to lead the students through this production.

Approximately 50–60 roles are available for local students. No advance preparation is necessary. Most students will rehearse four hours each day, Monday through Friday.

THE PIED PIPER is part of Missoula Children's Theatre’s unique international touring project, and is presented in Glenrock by Glenrock Community Education and Converse County School District #2.

For more information regarding auditions and assistance with the production call the Community Education Office at 436-7499.
