Question #26 on the Free Application for Federal Student Aid (FAFSA) asks: “When you begin college in the 2014-2015 school year, what will be your high school completion status?” You answered “4,” or “None of the above.” That answer indicates that you do **not** have a high school diploma, General Educational Development (GED) certificate, HiSET, or other high school equivalency, and/or have not completed homeschooling at the secondary level. You are not eligible to receive federal financial aid without a diploma, GED/HiSET or homeschool completion, so we must confirm your answer. Please check the correct statement and sign, date and return to the Financial Aid Office. Your financial aid will not be processed without this information.
