

# Staff Alliance Spotlight

**The EWC Douglas Campus** and Nursing Programs mission is to provide the best education experience to our students.

The office staff are Suzey Delger - Nursing Director, Terri Griffin - Adult Learning Center Coordinator, Jamie Sullivan - Senior Administrative Assistant, Susan Winn - Community Education Coordinator, Amy Hadlich - Administrative Assistant, Rob Freeman - Maintenance Supervisor, and Jim Trickle - Custodian.

### Highlights of their work include:

- Writing self-study for Nursing Accreditation
- Prepare students for the High School Equivalency Exam
- Help students with registration, financial aid, and any other questions
- Offer a wide diversity of classes to appeal to different demographics
- To assist all patrons and visitors on campus and create a friendly comfortable atmosphere
- Keep the college clean and functional plus coordinate and set-up for all functions

In the past year we achieved WSN approval in 2016. Successfully passed 13 of 14 Nursing students. Prepared 9 students for the HiSet Exam – all passed, one with honors. Provided English Language Acquisition classes for beginning and intermediate students. Proctoring various exams. Helping new students. Partnered with Wyoming Humanities and the University of Wyoming to bring in speakers, and held “free” classes to promote spirit of unity between college and community. Currently organizing documents for the ACEN self-study, for accreditation. Continue to maintain the building by repairing any issues that arise.

### Some fun facts about each staff member:

- Suzy once hitch-hiked across England and was picked up by Dame Judy Dench and Michael Caine and did not know who they were!
- Teri is an avid nature enthusiast and likes gardening, bird-watching, astronomy, and geology.
- Jamie’s great-grandfather was one of the original partners of JC Penney and he also served in the Wyoming Legislature.
- Susan is loud and proud – she carries cards with her everywhere so if she sees someone with a unique talent, she always asks them to contact her to teach a class!
- Amy became interested in keeping an organizational journal in a crafty style which she learned from Jamie.
- Rob has lived in the same house with the same address and phone number his entire life.
