Dear Mr. Meyer,

Thank you so much for choosing me as the recipient of the EWC Leadership Award Scholarship. I am very excited to attend EWC next semester and start a new chapter in my life. Right now I am planning on taking courses towards either becoming a physical therapist or an occupational therapist. Just this week I got a job at my local physical therapy clinic and I will be able to obtain hands on experience prior to even starting my classes. Once I have recieved my Associates Degree, I intend to transfer to the University of Wyoming. I am also planning on walking onto the Lancer Volleyball team.

I grew up in Sundance Wyoming and I am the middle child of three kids. My older sister is currently attending Casper College so this scholarship will greatly assist my family with educational costs as they will be putting two through college next year. During high school I have been involved in volleyball, basketball, track, National Honor Society, FCCLA, and Student Council. I am hoping to find new organizations to be involved with while I am at EWC, as I feel being involved is a great opportunity to meet new people and be a part of the school.

Once again, thank you for choosing me for this scholarship opportunity. I am very serious about my education and will strive to do my best and earn good grades throughout my educational career. I hope that during my time at EWC I can meet with you and thank you in person.

Sincerely,
