

Library Tidbits

FEATURED

Get Books Fast

The library has a new iPad for patrons to use to look up items in the library catalog. The catalog is always up and ready for you to start searching. Fast, easy and convenient.

You are never too old to set another goal or to dream a new dream."

- C. S. Lewis

Reminders

- Faculty may schedule a library instruction class. To schedule a class on library resources for your course or subject area, contact a library staff member at 532.8375.
- Materials restricted by license to EWC students, faculty, and staff require you to log in. Please contact the library for login instructions. (The login has not changed from last year.)
- The library welcomes classes in the library for work sessions. Please check to make sure we do not already have a class scheduled.
- Library staff always welcome recommendations for materials to purchase for the collection. Please feel free to email those to casey.debus@ewc.wy.edu. Please include the ISBN number with the title, author and edition if applicable. As a rule, we do not purchase textbooks that are currently being used for classes.
- The library offers faculty the option to place items on reserve. Bring materials and/or URL with course number and title and any restrictions to be placed on the material to the library. Allow 24 hours before availability to students.
