

Western Nebraska Community College
& Eastern Wyoming College
WyoBraska Women's Volleyball
Tournament September 15 & 16, 2017

Format

The format has changed this year. We will run only one court at each facility. Each team will play two matches each day. There will be no tournament winner. All matches are best 3 of 5 sets to 25 points. If necessary, deciding game is to 15 points (switch at 8). No point cap on any set.

Play for each match on Friday will be at the scheduled time. Saturday play will begin ahead of schedule when possible. Warm-up period for a team's first match of the day will be 4-4-5-5-1. All matches thereafter will be 5-5. First team listed will be the home team.

Hosts will provide two officials and a scorekeeper for each match. Assigned work teams will supply two line judges, a libero tracker and a clock operator.

Awards

Following each match, coaches will vote for two players from the opposing team and one from their own to determine a twelve-player All-Tournament Team. The All-Tournament Team will be named after all votes have been tallied.

Facilities

The buildings will be available on Friday at 9:00 a.m. with courts available at 10:00 a.m. and on Saturday at 6:30 a.m. with courts available at 7:00 a.m. Please don't bring volleyballs. We have an ample supply for all warm-ups. Only bench towels will be provided. You must bring shower towels. Concessions will be available throughout the day.

Trainers are scheduled to staff the tournament (please bring your own supplies). Locker rooms are available, and will be assigned. Please remind your players we are not responsible for valuables or other items left in the locker rooms or gyms.

Cost

Cost of the tournament is \$350 payable to Eastern Wyoming College. An invoice for your business department was previously included with the tournament contract.
