INCOME VERIFICATION

IRS Data Retrieval Tool (ONLY for 2016 Tax Filers who have an FSA ID):

The easiest way to verify income information for Single, Married Filing Jointly, and Head of Household tax filers is to use the IRS Data Retrieval Tool (DRT) when completing the FAFSA on the Web. To use the DRT, the student must log-in to the FAFSA at fafsa.gov with his/her FSA ID and select "Make Corrections."

If the student was a 2016 tax filer and is attempting to use the DRT, the student will need to update the STUDENT 2016 tax return status, type of return, and filing status. Follow-up questions will determine the student's eligibility to use the DRT. If eligible to use the DRT, a button with the title "Link to IRS" or a hyperlink titled "View options to link to IRS" will be available on the screen. On the IRS website, confirm that the student information is correct, and type in the exact address used to file 2016 taxes. Click "Transfer Now." **If the transfer was successful, you will not be able to see/review the data elements, but instead will see data elements labeled as "Transferred from IRS."** Please re-sign and re-submit the FAFSA.

2016 SIGNED Tax Return TRANSCRIPT (Married- Filing Separately & Tax filers who did not or could not use the DRT):

Due to federal regulations, schools cannot accept tax returns. To request an IRS Tax Return Transcript, please visit www.irs.gov/Individuals/Get-Transcript to download and print your 2016 transcript immediately, or request the transcript be mailed to your address on record. Be sure to request a Tax Return Transcript, NOT an Account Transcript. The tax filer must sign (handwritten signature only) and date the Tax Return Transcript before submitting the document to EWC.

If you cannot get the transcript online, please download [Form 4506-T](#) by clicking on the "Transcript types" hyperlink on the IRS Get Transcript website. Do NOT use the generic 4506 form as this requests tax returns rather than the required Tax Return Transcript. Transcripts can be sent directly to EWC by entering EWC's address on Line 5. If the tax filer does not send the transcript directly to EWC, then he/she will need to sign (handwritten signature) and date the transcript before submitting. Transcripts can also be requested by calling the IRS Automated Telephone at 1-800-908-9946.

2016 SIGNED Verification of Nonfiling Letter (ONLY for those who did not file taxes OR for those who were granted an Extension):

To request an IRS Verification of Nonfiling Letter, please visit www.irs.gov/Individuals/Get-Transcript to download and print your 2016 Verification of Nonfiling immediately, or request the letter be mailed to your address on record. The individual whose income is being verified will need to sign (handwritten signature only) and date the Letter before submitting the document to EWC.

If you cannot get the letter online, please download [Form 4506-T](#) by clicking on the "Transcript types" hyperlink on the IRS Get Transcript website. Do NOT use the generic 4506 form as this requests tax returns rather than the required Verification of Nonfiling Letter. Nonfiling letters can be sent directly to EWC by entering EWC's address on Line 5. If the tax filer does not send the letter directly to EWC, then he/she will need to sign (handwritten signature) and date the letter before submitting. You must check box 7 "Verification of Nonfiling" to request this document.

Self-Employment SIGNED Statement of 2016 Income

If you were self-employed and do not have W-2s available, you will need to submit a statement that includes your name(s), the type/name of your business, your gross income, and why you were unable to provide W-2s (self-employment). The individual whose income is being verified will need to sign (handwritten signature) and date the statement before submitting to EWC. **PLEASE NOTE:** if net earnings were \$400 or more, you may be required to file a tax return. Please refer to the IRS Tax Guide (Page 6, Chapter 1) for self-employment filing criteria.
