

EWC Nursing Advisory Committee Meeting Minutes 10-11-16

Suzey Delger presiding

Suzey issued compliments to the nursing students and the partner facilities.

Suzey addressed expectations of service on the committee:

ACEN requirements, such as community involvement

There will be NO fiduciary responsibilities from committee members.

There will be NO evaluations by committee members.

Committee members will keep faculty advised of any issues arising in facilities during student clinical rotations.

Suzey shared a current listing of clinical contract facilities/partners

Students have joined National Student Nurses Association, Wyoming Student Nurses Association, and created EWC SNA. They have established fundraising opportunities (Festival of Trees), and participated in community events (Health Fair).
