What's new @ your library?

The Winter Olympics are February 9-25, 2018...we are highlighting them in our displays.

February is Black History Month...come check out our resources. This year the focus is on African Americans in Times of War. The library has a nice collection of titles in this subject area.

We are asking that faculty come evaluate their subject areas. It is a win-win. You discover what the library has and at the same time let us know what is no longer relevant.

Coming soon... a new collection.

Watch for our new collection to appear. We are busy organizing it and preparing it for our patrons to enjoy.
