

# Library Tidbits

## FEATURED

### Need Statistics? Check out Statista!

From agriculture to social media and even what is trending for Easter gifts [Statista](#) has you covered.

### *Films, films and more films!*

Do you need a short video clip to show in class? Check out our online video collections.

[Films on Demand](#) is a state-of-the-art streaming video platform that makes it easier

than ever to incorporate outstanding educational video content into your curriculum by providing easy integration with learning management systems. There are 28,952 titles in 31 subjects areas.

[Academic Video Online](#) is a multidisciplinary collection of videos that touches on the curriculum needs of virtually every department. There are over 66,000 videos available. AVON allows students and researchers alike to analyze unique and valuable content from over 500 producers and distributors around the world.

[Veterinary Education in Video](#) has high-caliber content relevant to veterinarians, vet

techs, assistants, and other team members, and features demonstrations from many of the field's most respected experts. The collection consists of 804 videos.

### *eJournal Portal*

Do you have a specific article you want to look up? The easy way to see if we have it is to check out our [eJournal Portal](#). The portal will tell you where you can find the journal and what years are available. Look for the link on the library website: [Journal Lookup](#) and on every LibGuide under the Summon search box. Don't forget we are here to help.

*"Discover your passions and achieve your goals at the library." - Misty Copeland*
