

# Library Tidbits

## FEATURED

### Stay connected this summer

[RB Digital AudioBooks and eBooks](#) are accessed through the state library.

All you need is your device and library card/PIN.

- New titles added each month.
- Check out 10 titles at a time for 14 days each.
- Return books early or renew for an additional 14 days.

[Digital magazines](#) are also available. RB Digital (formerly Zinio) allows you to read any of the full color magazines in the collection at

any time. These magazines are exactly like the print magazine, many with bonus interactive features. View the magazines on a variety of devices, and download for offline reading.

- Over 100 popular magazines available
- Current and back-issues available for simultaneous use

[Cloud Library eBooks and Audiobooks](#) are also available through the state

library. Again all you need is your device and library card/PIN.

- Thousands of bestsellers and popular authors.

- Check out 5 books at a time for 14 days each.
- Hundreds of audiobooks.
- Return books early.
- Read a book on multiple devices.

The library will be getting a facelift this summer. We will still be open, but

we will be relocated to T260. We plan to have our current fiction titles and periodicals available for checkout and a few computers for patron use. Interlibrary loan will not be available. If you require other services just ask and we will do what we can.

*"I have always imagined that paradise will be a kind of library." — Jorge Luis Borges*
