On-Campus Housing

On-campus housing provides students with an opportunity to easily meet individuals from a variety of backgrounds, to establish lifetime friendships, and participate in a variety of social and educational activities. This experience in community living can be both enjoyable and rewarding for students, as well as being convenient and economical.

Eastern Wyoming College has two residence halls on campus: Eastern Hall and Lancer Hall. Eastern Hall has double occupancy rooms with communal bathrooms for men and women on separate floors, as well as 2 bedroom (four-student) suites which share a bathroom. Lancer Hall has 2 bedroom (four-student) suites which share a bathroom. Basic cable television and Internet service (Internet service provided may not fully support some media-rich activities such as online gaming or video streaming) is provided in each living space as is local telephone service. (Telephone instruments are NOT provided.) Free use of washers and dryers is available in each building. Eastern Hall has a lounge with a television, DVD, Wii, refrigerator and microwave on each floor, and a game room in the basement. Lancer Hall has lounges and study rooms in each wing and a kitchen in the Atkins Commons area.

Housing staff resides in each residence hall. Professional and student staff members are trained to assist students with concerns relating to their total college experience.

To enable the College to offer students the best food service possible at reasonable costs, EWC requires all students who reside on campus to participate in a meal plan. Food Services offers a full meal plan of 17 meals per week along with two other plans that offer 14 meals per week or 10 meals per week; the last two have Munch Money that can be used in the Cafeteria or Student Center. The housing and food service charges are included under a single contract each semester. Exceptions to the meal plan such as work conflict, religious reasons, class conflicts, vegetarian, weight loss, or health-related diets are not made. For further information concerning student housing, contact the Director of Residence Life at 307.532.8336.
