

Dear EWC Staff Alliance Leadership Scholarship Committee,

Thank you for the opportunity to be a 2018 EWC Staff Alliance Leadership Scholar. This opportunity will help me achieve my educational goals.

I live on a small ranch outside of Encampment, Wyoming and am so excited to be a part of Eastern Wyoming College starting in the Fall of 2018. At the end of August I will begin classes to obtain two minors: an Associate of Applied Science as well as an Associate of Science. I will then transfer to a University after two years and work towards my Bachelors in Business Administration. I will use my degrees to run my own salon and manage my own business. Being a recipient of this scholarship is going to make pursuing my education and future goals less of a hardship, so thank you for allowing me to accept this scholarship.

Again, I would like to thank everyone on the committee and I hope to see them in the Fall.

Sincerely,
