Dear Mr. Meyer,

Thank you for donating to me for the EWC Employee-Sponsored scholarship for the 2018-2019 school year. I was born and raised here in Torrington. In my free time I enjoy reading and learning about different fields of science. My educational goal is to graduate with a major in Biology. I would also like to expand my knowledge in mathematics and geography while enrolled in college. I plan to get my associates degree from EWC.

Again, thank you very much for donating this award to me. I greatly appreciate receiving this award.

Best regards,
