## FEATURED

### Have you heard?

Do you have any audiobooks? This is a question that we get a lot. Our answer is no, but the county library does and the state library provides access to digital audiobooks. How can you access these? It's as easy as:

1. *Want to actually check out the CD?* Stop by the county library to see what they have and use your EWC library card to check it out.
2. *Not available here, but at another county?* We can interlibrary loan the title for you. It is free. Stop

by and we will show you how. Bring your library card with you!

3. *Want to go digital?* Have we got the resources for you! The state library provides access to several audiobook apps. Go to [gowyld.net](http://gowyld.net) to get started.
