## FEATURED

### Wyld App

The [WYLDcat mobile app](#) (library catalog) was released in both the Android and Apple app stores over the holidays. To find it, search for 'WYLDcat' in either app store. Users must log in with their library card and PIN to see their library's version of the app. The app has versions for each public library system

and the community colleges.

*WYLDcat Mobile Features:*

- Login with your library card and PIN to see your library's version of the app
- Search materials in your library or find digital materials such as ebooks and audiobooks
- Renew materials, place holds
- Find links to your library's social media
- View your virtual library card and link additional cards to your account (e.g. family members)
- Scan a barcode to look up an item in the app

To learn more contact your library.

### Seed Library

Wait, what? Yes the library has a seed library. We have a nice selection of seeds to pick from. We have herbs, flowers and vegetables. Stop by and pick up a few seeds to start your own plants for your vegetable garden this summer. You don't have a green thumb, but you still want to know what a seed library is? Stop in and we will show you.

*"Human happiness and moral duty are inseparably connected."* — George Washington
