PsycArticles

[PsycArticles](#) went away for a couple of years, but now we have access again. “This database offers full-text articles for journals published by the American Psychological Association, the APA Educational Publishing Foundation, the Canadian Psychological Association and Hogrefe & Huber. The database includes all material from the print journals.” (APA)

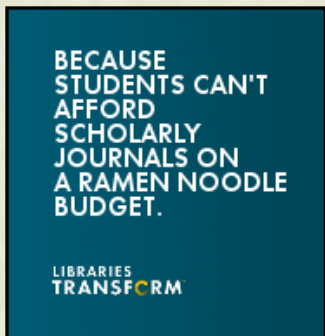

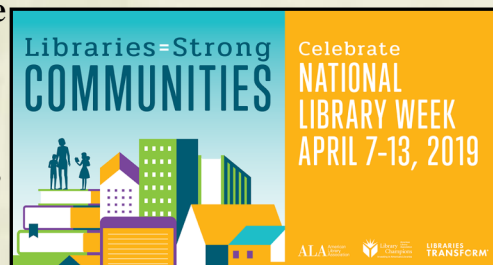

National Library Week

Libraries are at the heart of their cities, towns, schools and campuses, providing resources and programs that build strong communities. Visit the Eastern Wyoming College Library April 7th through 13th during National Library Week or visit ILoveLibraries.org for more information.

What do these books have in common?

Did you walk by our display last month and wonder what the answer to our question is? Well, several of you stopped and asked and we answered...they were all made into movies!

“If you have a garden and a library, you have everything you need.” — Cicero
