Residency

Requirements for in-state residency for tuition determination for Wyoming Community Colleges are established by the Wyoming Community College Commission. The following regulations govern the classification of students as a resident or non-resident for the purpose of tuition assessment at each of the seven Wyoming Community Colleges.

a. RESIDENCE CLASSIFICATION POLICY

1. Individuals may be reclassified for the following term when facts indicate that a change in residency has occurred since the time of original residence classification or since their most recent appeal.

Reclassification as an in-state student will not be applied retroactively to previous terms.

2. A student assigned a non-resident classification may submit a request for reclassification to the Registrar. **The student must submit the request and accompanying documentation on or before the first day of classes.** A decision will be rendered within 20 days of the first day of classes.
3. A student classified as a resident by one Wyoming Community College or the University of Wyoming will be considered a resident at all Wyoming Community Colleges.

b. CLASSIFICATION PROCEDURES

1. Residence classification shall be initiated for each student at the time the application for admission is accepted.
2. The following students are considered **non-residents**:
 - Individuals who are not U.S. citizens or permanent residents except as provided by C.2 or C.3 as follows.
 - Individuals holding a valid Nonimmigrant status in the following categories: F-1 and F-2; H-3 and H-4; J-1; K-1; and J-2; M-1 and M-2; Q-1; and R-2 visas except as provided by C.2 or C.3 as follows.
