Wireless Printing!

You read that right! The library has acquired a new printer for patrons to print from their phone, laptop or any wireless device. Many thanks go to the Technology Advisory Committee for approving the funds to purchase this printer. Please spread the word among the students about this resource.

“Every man’s island, Jean Louise, every man’s watchman, is his conscience. There is no such thing as a collective conscious.”
— Harper Lee, *Go Set a Watchman*

WYLDcat Mobile App

If you want access to the library resources at your fingertips check out the [WYLDcat mobile app](#). Search “wyldcat” on Google Play or in the AppStore and download today. Look for books and articles, renew your materials, or double check the library hours all from a single app. If you want more information please contact the library.

Westlaw Campus Research

We have switched resources! The library no longer has access to LexisNexis. We instead have [Westlaw Campus Research](#).

It is the “premier research service for the legal, news, and business-related information.”
