

Career Services Course Informational Handout

The Career Services Course is a 15-hour program of study where you learn about yourself!

It will incorporate:

Testing and evaluation processes where you will:

1. Identify a personal learning style.
2. Recognize strengths and challenges in both academics and personal areas.
3. Explore a career.

Throughout the entire program you will learn how to:

- Set, monitor and modify personal short/long term goals.
- Identify a possible career pathway.
- Utilize workforce readiness skills appropriately.
- Improve your educational functioning levels.
- Develop interdependence and team skills.

Upon completion of the Career Services Course you will earn a certificate and we will help you celebrate!
