What career are you most interested in? _____

Does it fit your career assessment and abilities? _____

Choose a Career Pathway: _____

Choose a Career Cluster: _____

My Career Goal is:

(6)

In order to get where you want to go, you need to know where to start and what skills, certificates, trainings, and/or requirements you need to reach your full potential. Start by answering these questions and then fill in your **Steps to Success**.

What degree, certificate, or training do I need to reach my career goal?
_____ (5)

What pre-requisite(s) am I missing to earn that degree, certificate, or training (i.e. High School Equivalency; Pre-College Math, Reading, or Writing; Financial Aid)?
_____ (4)

What step do I need to take to achieve that requirement (i.e. lifestyle changes, assistance programs, driver's license, a job)?
_____ (3)

What is another step I need to take to achieve that requirement?
_____ (2)

The first step I will take today is:
_____ (1)

On the next page, fill in your **Steps to Success** using your answer to each of the numbered items above.
