*Federal financial aid is intended to assist students in making successful progress toward completing an eligible degree or certificate. Therefore, the STUDENT bears the responsibility of demonstrating progress toward that goal. Determination of Satisfactory Academic Progress (SAP) is based on cumulative attempted hours and takes into account the student's full EWC academic record regardless of whether the student received financial aid funds. The Financial Aid Office is required to look at **all previous periods of enrollment**, including concurrent enrollment/dual credit classes taken while in high school, transfer credits, and periods of Academic Amnesty, no matter how long ago the student was enrolled. Satisfactory progress is evaluated at the end of every semester.*

In compliance with federal financial aid regulations and EWC policies, a student is ineligible to receive federal financial aid, including student loans, if he/she fails to meet any of the following conditions:

- **Loss of Eligibility:** Failed to successfully complete at least 67% of overall credit hours attempted and/or failed to achieve a minimum 2.0 cumulative Grade Point Average (GPA) for one or more semesters following a Warning semester.
- **Maximum Time Frame:** Because federal regulations require a suspension of federal aid when it becomes mathematically impossible for a student to complete a program within 150% of the published length of the program, the student will be placed in a Maximum Time Frame status when he/she has attempted credits equaling 135% or more of that program (approximately 81-85 attempted credits for associate's programs, 40-45 for year-long certificate programs, and 24-32 for certificate programs less than a year in length depending on credit requirements for the program).

A student who experienced extenuating circumstances (usually considered beyond the student's control) that created the suspension or excessive attempted credits may petition for reinstatement of eligibility by completing the appeal procedure outlined below. **There is a limit of appeals allowed; appeals are accepted at the discretion of the Appeal Committee and only if the criteria established in the appeal agreement and program evaluation are met.**

Appeals should be submitted as soon as possible following notification of loss of eligibility, but **NO LATER THAN MID-TERM OF THE SEMESTER FOR WHICH THE STUDENT IS REQUESTING AID.**

#### SATISFACTORY ACADEMIC PROGRESS APPEAL PROCEDURES

- Complete ALL required information on the appeal form. Incomplete petitions will not be considered.
- Complete *Student Section* of appeal **in detail** (a typed sheet may be attached as long as all points are addressed).
- Attach documentation to support your circumstances (e.g., a letter from a physician to document medical issues). This documentation must be retained in your financial aid file, so please do not submit originals.
- The student must meet with an academic advisor to complete the *Advisor Section* of the appeal and to **go over a program evaluation to ensure the student is enrolled only in credits needed to graduate in a timely manner.** Complete the *Student Section* of the appeal BEFORE making an appointment with an advisor. **Program evaluations may be obtained from the Records Office or via your MyEWC account.** Student and academic advisor must sign the appeal.
- Complete all steps of appeal and submit with required documentation to the Financial Aid Office. The Appeal Committee will review the appeal along with academic and financial aid records to make a decision. **Allow at least 30 days for review.**
- A student is not required to make payments toward an outstanding balance while an appeal is under review, but will not be allowed to charge books during a book charging period unless/until the appeal is approved. If the petition is NOT approved, the student is responsible for paying all charges incurred.
- The student is notified via mail when a decision is reached on the appeal. Please make sure Student Services has a current and correct address and phone number on file. If the appeal is approved, the student will be required to sign an agreement indicating he/she understands and will comply with the conditions of the approval.
- A student whose appeal is approved is placed on financial aid Probation. The student is expected to regain Satisfactory Academic Progress at the end of the probationary semester by regaining a 2.0 cumulative GPA and/or regaining at least 67% overall completion. A student who is unable to obtain SAP in one semester will be allowed to re-appeal as long as he/she is earning at least a C in all classes, is not withdrawing from any classes during the probationary semester, and is meeting all other requirements of his/her Academic Plan.
- A student whose appeal is denied and who disagrees with the decision of the Appeal Committee has the right to re-appeal to the Financial Aid Director.

## ADVISOR SECTION • SAP APPEAL

The student **must meet with an academic advisor to complete the *Advisor Section* of the appeal and to go over a program evaluation** to ensure the student is on track for graduating in a timely manner and that only credits needed for degree completion are taken. Complete the *Student Section* of the appeal BEFORE making an appointment with an advisor. Program evaluations may be obtained from the Records Office or via your *MyEWC* Academic Profile. Student and academic advisor must sign the appeal form.

\***Advisor:** Please provide any additional information you may have for why this student's appeal **should or should not** be approved. Can the student successfully achieve his/her educational goals? Has the student overcome any obstacles he/she may have previously faced? Is the student taking the appropriate type/number of classes for his/her ability and taking advantage of tutoring and other resources available? Please indicate if you do not feel you can support this student's appeal for any reason (and provide an explanation). The Appeal Committee needs an honest evaluation of this student's capabilities and needs to know what advising resources have been discussed (tutoring, career counseling, online advising, etc.) to help him/her be successful in the future. *If you are not comfortable giving the student back this form with your evaluation, you may submit it directly to the Financial Aid Office or e-mail your statement directly to the Financial Aid Director.*
