*I understand that I have been given access to the Essential Ed, AZTEC, and/or PLATO instructional program to improve my academic skills in order to assist in the achievement of my personal goals. I also understand that I have been given access to internet based software programs designed to help me build the skills I need to successfully enter the workforce. I acknowledge that I have received a copy of this document and further acknowledge that a copy of said document will be placed in my student file at Eastern Wyoming College's AE program.*
