Housing Protocol: Phase One:

1. Student and staff movement within the residence halls will be limited to assigned rooms and require appropriate social distancing in common areas, i.e., food preparation area, lobby, and computer / study rooms.
2. All areas will be cleaned by the college custodial staff each day with added focus on high touch surfaces of door handles, common bathrooms, using EPA approved disinfectant supplies.
3. All students will receive an orientation prior to occupying the residence halls, including a review of personal hygiene requirements (handwashing, social distancing, etc.). Students will be required to sign a disclosure indicating they have been made aware of the residence hall requirements. Noncompliance of these of these requirements will be reported to the Vice President for Student Services and could result in eviction from student housing.
4. Students will be checked daily for any signs of illness each day, and if an illness is suspected the student will be asked to leave the residence halls, and referred immediately to Public Health.
5. Students will be required to disclose on a daily basis of any exposure to COVID-19 or travel outside of Goshen County to residence hall staff.
6. Students will be required to have masks within the facility while using or passing through common areas, hallways, etc.
