

Library Tidbits

FEATURED

Temporary Library Services

As we move forward at this time the library is open for limited hours and we have limited computers available for simultaneous use. As guidelines from the state change our services will change as well.

We are still checking out items and providing online reference during daytime hours. Checkout periods have been extended: books for

three weeks and periodicals for one week.

The library is also offering curbside pickup by request only. If you want to check out items, but do not want to come in, call ahead and make arrangements to pick your items up outside the Tebbet/ Faculty link entrance.

"I do not think that there is any other quality so essential to success of any kind as the quality of perseverance. It overcomes almost everything, even nature." - John D. Rockefeller

Online Resources

If you are not comfortable getting out and about check out the online resources available.
