Preparation is everything; we are challenged by the unpredictability of safety and security issues today on our campuses and committed as a college to provide the safest learning environment possible. This can only be accomplished with the cooperation of all the stakeholders of the college community. Training and awareness is an ongoing process. Annual fire drills and lockdown procedure drills are tools to ensure familiarity and operational effectiveness. Infrastructure upgrades like

Benjamin Franklin once said, “By failing to prepare, you are preparing to fail.” Those words are so true today and failure to prepare concerns all of us on any college campus.

cameras and emergency call boxes that are located throughout campus provide emergency assistance when needed. Prevention information is made available both in print and on the Eastern Wyoming College website. This report provides information on safety and security programs, measures and statistical information on activities this past year
Eastern Wyoming College (EWC) has developed important programs to help protect your safety and well-being while you are a student at EWC. The following information is not a contract. It is a useful description of our campus safety policies and we encourage you to read it carefully.

*Education requires a safe environment for success. The Eastern Wyoming College Board of Trustees and its staff are strongly committed to crime prevention and the safety of our students, staff and visitors.*

Your cooperation is critical to minimize criminal activity and create a safer community for all. If you see something, say something. Like other colleges and universities we are not without occasional crimes. You are an important member of the EWC Community which means that you must obey both Federal, State and local laws as well as the rules and regulations of the Eastern Wyoming College Campus. Knowing these rules and taking personal responsibility for your own conduct and safety improves the quality of life for everyone; including you. We comply with the Jeanne Clery Disclosure of Campus Crime Statistics Act or “Clery Act,” a Federal statute requiring all colleges and universities that participate in Federal financial aid programs to keep and disclose information about crime on and near their campuses. We also comply with the Violence Against Women Reauthorization Act of 2013 (VAWA).

I am more than eager to discuss campus safety and hear your feedback. Please contact me at lesley.travers@ewc.wy.edu or call me at 307.532.8303. Thank you for your attention to this most important information about your safety on our Eastern Wyoming College campus.

Sincerely,

Lesley Travers, Ph.D.
President of Eastern Wyoming College
STUDENT DEMOGRAPHIC INFORMATION

Eastern Wyoming College operations include campuses in Torrington and Douglas, Wyoming. Torrington is the administrative center and main campus of EWC, and Douglas functions as a branch campus. Enrollment is approximately 1900 students each semester with additional offerings in community services and continuing education areas. Total headcount enrollment includes course offerings in the ten other rural communities. The Torrington campus enrolls more traditional full-time students than the other areas, which serves primarily non-traditional, part-time students.

CAMPUS SECURITY INFORMATION

Eastern Wyoming College does not employ a police staff, however the campus has a close working relationships with the Torrington Police Department, Douglas Police Department, the Converse County Sheriff’s Department and the Goshen County Sheriff’s Department. The College recognizes the need for a close and positive working relationship with law enforcement to provide a safe and secure environment on campus. The College encourages the campus community to report crime to the City of Torrington Police Department or the City of Douglas Police Department as well as the law enforcement agencies that service the areas where college outreach sites are located. They respond to both routine and emergency calls, and provide the College with timely information relating to criminal activity in the community so that college employees and students may act to protect themselves and assist in crime prevention efforts. The EWC Board of Trustees and the
Torrington Police Department cooperatively instituted a Campus Resource Officer program to enhance the quality of life on campus by providing safety and security, maintain a high level of visibility around the campus, maintain order, and provide a range of general and emergency services.

The Campus Resource Officer is a certified peace officer of the Torrington Police Department and has the authority to investigate alleged criminal offenses that occur on the EWC Torrington campus. The agreement for the CRO is the only written documentation that exists between EWC and the City of Torrington/Torrington Police Department with regards to campus law enforcement. No memorandum of understanding (MOU) exists between EWC and the Goshen County Sheriff's Department or the Wyoming Highway Patrol regarding the investigation of alleged criminal offenses.

### REPORTING EMERGENCIES AND CRIMINAL ACTIVITIES

Every crime should be reported to law enforcement officials as soon as possible. This is the most effective way to ensure the well-being of the campus community. If this is not possible for some reason, the crime should be reported to one of the following: Vice President for Student Services, Residence Life Director, the President, Campus Resource Officer or to a faculty or staff member who the student is comfortable talking to about the crime. The involved police department will investigate every crime and request assistance from other state and local law enforcement agencies when needed.

In cases of sexual assault or suspected sexual assault, all faculty and staff are strongly encouraged to get the victim into a support environment through the Student Services, even if there is not a report filed with the police department. Confidential crime reporting is an essential, if not preferred, method of reporting. If you choose to file a confidential report though the police department without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the College can keep an accurate record of the number of incidents involving students, employees and visitors; determine where there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution. It is the policy of Eastern Wyoming College to encourage the reporting of crimes even if the victim does not wish to file a complaint. Additionally, staff and students may utilize the “CodeRed Emergency System” phone application to make an anonymous report to the local police department. All faculty and staff are informed of the policy at the back-to-school meetings each year and are encouraged to report any crime. Any information received will be reported to the police department for crime reporting notifications, campus crime statistics reporting, and campus education programs. The Vice President for Student Services is responsible for the collection, reporting, and disseminating of the annual crime statistics from the local police agencies and campus security authorities for inclusion in the annual crime report. Eastern Wyoming College will do everything within its legal ability to protect the identity of victims in any case of the report of criminal activity.

If personal safety or lives are at risk, call 911 from an off campus phone or 9-911 from any campus phone for immediate police assistance. In addition, you may report crimes to the following individuals:

- **Information Desk:** (307) 532-8211

### EWC TIMELY WARNING PROCEDURES

In the event that a situation arises, either on or off campus, that, in the judgment of the Campus Resource Officer, the President or the Director of College Relations, constitutes an ongoing or continuing threat, a campus-wide “timely warning” will be issued. The warning will be issued through the college e-mail and text message system to students, faculty, local police department with the assistance of College Relations Director. Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the Director of College Relations may also post a notice on the campus web site at: ewc.wy.edu, providing the campus community with more immediate notification. These reports are also distributed using press releases, warning posters, campus meetings, and announcements depending on the nature of the event. The website is immediately accessible via computer by all faculty, staff and students. Anyone with information warranting a timely warning should report the circumstances to the local police department (Torrington: 307-532-7001) or (Douglas: 307-358-3311).
When a timely warning is issued it will be made in a manner that protects the identity of any victim of crime and in a way to prevent similar occurrences from happening. Eastern Wyoming College is not required to issue a timely warning for crimes reported to a professional counselor.

SAFETY AND SECURITY PROGRAMS

All incoming students during orientation receive an introduction to the local police department, CARE Team, safety procedures, crime reporting procedures, “Not Anymore Training,” and alcohol and drug awareness. All student residents receive the same information as well as crime prevention practices in a yearly update via online training as part of their housing orientation. “See something, say something” is emphasized as well as being a good bystander. All new employees receive orientation concerning crisis management, safety procedures, and crime reporting procedures. An annual re-fresher covering the same topics is offered to all faculty and staff.

CRIMINAL ACTIVITY OFF-CAMPUS

The College has no recognized student organizations with off campus locations that are monitored by the College. All off-campus college sponsored events are subjected to the same policies and procedures as on campus.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

Buildings on campus have a notification system for emergency evacuation. In most buildings this is a fire alarm system. Some systems sound only an alarm while others give voice evacuation directions or announcements. Whenever the alarm system sounds and/or voice command for evacuation is sounded, everyone must leave the building or move to a safe location.

It is required of all departments to have an evacuation plan, which explains the emergency systems and evacuation procedures. This document (Crisis Management Plan) is to be readily available and provide information such as emergency telephone numbers; evacuation personnel duties; designated meeting points; and building information such as whether the building has an automatic sprinkler system, smoke detection, and/or manual alarm pull stations. The Campus Resource Officer provides Evacuation Training to individual departments. Contact the Campus Resource Officer at (307-532-8343) or (307-575-5982) to set up training or for assistance in development of an Evacuation Plan.

The Residence Life Office distributes the following document to students residing in Eastern Wyoming College Housing, “Emergency Procedures”. The document contains emergency evacuation and safety procedures for natural disasters.

The Eastern Wyoming College Crisis Management Plan calls upon all employees to be familiar with this plan. For additional information on EWC emergency procedures and safety resources, the local police, the CARE Team, and the Chief of Police will coordinate the gathering of information, and coordinate releases to the media with the President’s Cabinet and the Crisis Response Team, will outline confirming emergencies or segmenting portions of the campus community to receive emergency notifications.

EMERGENCY NOTIFICATION

Eastern Wyoming College has multiple campus-wide emergency notification systems that can rapidly provide mass notification during natural disasters or other emergencies to the Eastern Wyoming College community. The Chief of Police, in consultation with the President’s Cabinet and the Crisis Response Team, will utilize the Emergency Operations Plan’s incident typing and state of readiness conditions to determine if a notification is necessary, and if so, will determine the content of the notification. The Campus Resource Officer will initiate all notifications. Eastern Wyoming College will, without delay, and taking into account the safety of the community, determine the content of any notification and initiate the notification system, unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency. Information regarding the response and notification policies will be distributed to the faculty and staff during annual meetings and to students during orientation sessions. There is currently no policy that outlines confirming emergencies or segmenting portions of the campus community to receive emergency notifications.

During an emergency the President and College Relations Director will coordinate and gather information, and coordinate releases to the media with the Chief of Police and in conjunction with the On-site Command person.

Eastern Wyoming College Website: Up-to-date information regarding the status of the College is always available on the College’s website: ewc.wy.edu. During and following emergency situations, information as it applies to the College will be posted on this web page as it becomes available, including information about such things as college closure, etc. This web page also provides links to department-specific information (i.e., entertainment venue and program changes, class schedules, and emergency operations procedures). In the event of an emergency situation or campus crises, it is the responsibility of College Relations to update the Web page with department-specific information as it becomes available. Other information will be posted as deemed appropriate.

Eastern Wyoming E-Mail: Mass e-mails will be used to provide students, faculty and staff with information regarding potential threats to the safety and security of the campus community. E-mails will also be used as a way to notify students, faculty and staff of emergency situations and keep them updated on the situation. The College employs the following types of e-mails:

Informational: any communication that increases the awareness of campus activities, events, or services (i.e., parking disruptions).

Operational: communication that requires some action on the recipient’s part or a required notification by the College (i.e., a
and determines the best mechanisms for support, intervention, etc.), conducts an investigation, performs a threat assessment, (from co-workers, community members, friends, colleagues, disruptive, problematic, or concerning behavior or misconduct in individual or group behavior. The team receives reports of “flags” over time, detecting patterns, trends, and disturbances faculty, staff) via an established protocol. The team tracks “red regularly to support its target audience (students, employees, faculty services (chair), Campus Resource Officer, Academic Services Office, Registrar’s Office, College Counseling Center, and Office of the Dean of Academics. Other ad hoc members may be added as dictated by individual situations.

In addition, it shall be the responsibility of CARE to develop and review college policies that address such situations and behavior. The team shall consist of a representative of the Office of Student Services, Campus Counseling Center, Academic Services Office, Registrar’s Office, College Counseling Center, and Office of the Vice President of Student Services with regard to a student’s ability to continue at Eastern Wyoming College. CARE does not pre-empt any other college department in performing its duties in enforcing the law or managing student situations.

Objectives:
• To serve as a resource for the college community in addressing student behavior that is not addressed by an existing department of EWC.
• To develop and review policies that address aberrant or threatening student behavior;
• To provide educational opportunities for college departments about managing aberrant or threatening student behavior;
• To gather information about select situations and to assess the need for intervention;
• To provide support for academic and college departments in dealing with difficult student behavioral situations; and
• To make recommendations to the Vice President of Academic Services and the Vice President of Student Services with regard to special student situations and aberrant student behavior.

What is a campus assessment response and evaluation team?
A CARE is a multi-disciplinary group whose purpose is meeting regularly to support its target audience (students, employees, faculty, staff) via an established protocol. The team tracks “red flags” over time, detecting patterns, trends, and disturbances in individual or group behavior. The team receives reports of disruptive, problematic, or concerning behavior or misconduct (from co-workers, community members, friends, colleagues, etc.), conducts an investigation, performs a threat assessment, and determines the best mechanisms for support, intervention, warning/notification, and response. The team then deploys its resources, and the resources of the community, and coordinates follow-up.

TESTING OF EMERGENCY RESPONSE AND EVACUATION PROCEDURES

The college will conduct at least one annual test of the emergency response and evacuation procedures. The following describes the criteria that the college will follow to test the procedures:

• Tests will be scheduled in advance
• Tests will include a drill to test campus response to an emergency
• Tests will contain an exercise involving coordination with local emergency services
• Tests will contain follow-up to review the results of the testing
• Testing will have goals for assessment of plans and capabilities

The College will publicize its emergency response and evacuation procedures in the form of an email to employees containing a link with where to locate and review the campus emergency procedures. Additionally, a EWC Campus Safety Brochure will be published annually for students and staff as well as the Annual Campus Security and Fire Safety Report Brochure for the campus community.

MAINTENANCE OF CAMPUS FACILITIES

Proper lighting and building security are major factors in reducing crime on campus. The Physical Plant maintains the Eastern Wyoming College campus buildings and grounds with a concern for safety and security. Inspections of campus facilities are performed regularly, and repairs are made as quickly as possible. Individuals should report potential safety and security hazards, such as broken locks and windows. All members of the campus community are encouraged to report safety and security hazards to the Physical Plant Director at 307-532-8255.

SECURITY AND ACCESS TO EASTERN WYOMING COLLEGE GROUNDS AND BUILDINGS

During business hours, the College (excluding certain housing facilities) will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours, access to all College facilities is by key or by admittance via the Residence Life Director or their staff. In the case of periods of extended closing, the College will admit only those with prior written approval to all facilities. Residence halls are secured 24 hours a day. Over extended breaks, the doors of all halls will be secured around the clock. Emergencies may necessitate changes or alterations to any posted schedules. Areas that are revealed as problematic have security surveys conducted of them. Administrators from the Physical Plant, Residence Life, and other concerned areas review these results. These surveys examine security issues such as landscaping, locks, alarms, lighting, and communications.
Eastern Wyoming College grounds are open to visitors on a daily basis with tours available through Admissions or College Relations. Vehicular access to campus is patrolled by uniformed officers of the local police department. Visitor parking is allowed in designated areas or by temporary permit only.

Academic and administrative buildings are locked after normal working hours and residence halls are controlled by EWC Residence Life housing policy. Every effort is made to ensure that all residence halls are free from uninvited guests. Residence halls are locked 24 hours a day. Visitors must be registered with the Resident Assistants and must be escorted by their host at all times.

CRIME STATISTICS FOR EWC

The following are statistics required by the Jeanne Clery Act and reported annually to the Department of Education for reportable crimes, arrests and referrals for campus disciplinary action that occurred on the Torrington and Douglas campuses.

Statistics are disclosed in four categories: (1) Campus (Torrington and Douglas) (2) Non-campus, which includes any remote facilities of EWC; (3) Public property, which includes publicly owned sidewalks, streets or other thoroughfares, and parking facilities that provide immediate access to facilities owned by EWC in Torrington or Douglas and are within the same reasonably contiguous geographic area of these institutions; and (4) residential facilities, which includes all residence halls or other residential facilities for students, or other facilities affiliated with EWC.

Statistics reported are between January 1, 2018 and December 31, 2018 by the local police departments.

REGISTERED SEX OFFENDERS

If you wish to view a list of registered sex offenders in Goshen, Converse, Platte, Niobrara, Weston or Crook Counties, please visit the following website http://wysors.dci.wyho.gov/sor/. A departmental representative will be able to answer any questions you may have regarding the information. Sex offender information can be obtained through the Wyoming Division of Criminal Investigation website at: http://attorneygeneral.state.wy.us/dci/sofaz.html. All registered sex offenders are required to check in with the District Police Department prior to attending classes.

CRIME PREVENTION PROGRAMS

Minors that are registered sex offenders will not publicly identified. Crime prevention programs and sexual assault prevention programs are offered on a continual basis. Specific programs designed to inform students and employees about campus security procedures and practices, and to encourage students and employees to be responsible for their own security and the security of others include:

- Summer Pre-Registration programs for parents (2-3 times annually)
- Orientation activities (1 time annually)
- Residence Hall educational programming (2 times during academic year)
- Student Services educational programming (3 - 4 times each academic year)
- College Studies classes (every semester)

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibilities for their own security and the security of others. In addition to seminars, information is disseminated to students and employees through crime prevention awareness packets, security alert posters, electronic displays, and videos. When time is of the essence, information is released to the College through security alerts posted prominently throughout campus, through e-mail messages to employees and through website notifications.

Student and Employee Precautions: The cooperation and involvement of students and employees in a campus safety program is absolutely essential. Individuals must assume responsibility for their own personal security and the security of others. In addition to seminars, information is disseminated to students and employees through crime prevention awareness packets, security alert posters, electronic displays, and videos. When time is of the essence, information is released to the College through security alerts posted prominently throughout campus, through e-mail messages to employees and through website notifications.

Reduce Your Risk: Walk with others when possible; be especially cautious during evening hours; keep keys ready, use sidewalks and well-lit pathways; be careful about whom you let approach you when alone. Call 9-911 in an on-campus building or utilize the Emergency-Only telephones outside on-campus if you notice something suspicious or believe yourself to be in danger.

Lock It Up: Use the locks on exterior building doors, individual rooms and offices, and vehicles; keep windows secured; and store valuables out of sight. Weapons are not allowed in on-campus facilities and residence halls.

Record All Serial Numbers: Maintain a list of serial numbers and descriptions for valuable property (cameras, bicycles, etc.) Items
such as coats, books, CDs, and cell phones without identifying numbers should be labeled. An engraver suitable for metal, plastic or wooden objects is available through Residence Life.

Be A Crime Stopper: Report all accidents, thefts or other criminal activities to the Torrington Police Department or the Vice President for Student Services as soon as possible. Help the Torrington Police do their job by cooperating when asked to provide a statement, sign a complaint, or testify in court. Stay calm and give accurate details when making calls for assistance. Be concerned for the safety and property of everyone.

USE OF ALCOHOL BEVERAGES POLICY

The possession and consumption of drugs or alcohol at any Eastern Wyoming College facility, program, or in any vehicle, regardless of location, is limited to circumstances and conduct expressly permitted by the laws of the State of Wyoming and District procedures.

Pursuant to the U.S. Department of Education Regulations implementing the Drug-Free Schools and Communities Act Amendments of 1989, Eastern Wyoming College establishes the following policy and regulations:

Eastern Wyoming College will at a minimum be compliant with all federal and state laws and regulations. Eastern Wyoming College strives to establish for its students, faculty and staff an environment in which the misuse of alcohol and drugs is minimized, which encourages moderation, safety and personal accountability, and which provides an atmosphere free of coercion and peer pressure to abuse alcohol or use illegal drugs. The College strongly believes and encourages the use of treatment and educational programs as the most effective means to reduce and prevent substance abuse of any kind. All members of the EWC community should exercise sound judgment and be mindful of their personal health, safety and well-being, as well as that of their friends and guests, by observing all laws regulating drug and alcohol and the College rules in compliance with federal and state laws and regulations.

Wyoming Laws: Illegal Possession: Any person under the age of 21 who has any alcoholic beverage in his or her possession or who is under the influence of alcohol is guilty of a misdemeanor.

- Falsification of Identity: Any person under the age of 21 who attempts in any manner to purchase alcoholic or malt beverages or who falsifies any identification or uses any false identification in order to obtain alcoholic or malt beverages is guilty of a misdemeanor.
- Driving While Under the Influence (DUI) – Under 21: The legal blood alcohol concentration (BAC) for person under 21 is .02% as opposed to a BAC of .08% for those of legal age. A .02% BAC would result from consuming any alcohol.
- Consequences of a Misdemeanor: The consequences upon conviction for violating any of the misdemeanors listed above shall be imprisonment for no more than 1 year, a fine of up to $750, or both. Minors convicted of DUI may have additional consequences.

The Eastern Wyoming College Board of Trustees has enacted a drug and alcohol policy stating that drugs and alcoholic beverages may not be present on campus or at college-sponsored activities. The policy states that the College may take disciplinary action for the following violations:

- The possession, use, sale, or distribution of narcotics, illegal drugs, or prescription drugs for which the person does not have a prescription, on college premises or at college-sponsored activities.
- The possession, use, sale, or distribution of alcoholic beverages on college premises or at college-sponsored activities.

Please refer to the alcohol/drug sections in the Student Code of Conduct and the “Alcohol & Drug Enforcement” policy for more detailed information on disciplinary measures related to illicit alcohol and drug use.

DRUG-FREE WORKPLACE

Eastern Wyoming College is committed to maintaining a drug-free workplace. We provide that through notification to all employees and students that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited on this campus.

DESCRIPTION OF DRUG AND ALCOHOL ABUSE EDUCATION PROGRAMS

Eastern Wyoming College is in the process of finding a suitable drug and alcohol abuse education program for college campuses.

SEXUAL HARASSMENT, SEXUAL ASSAULT, AND SEXUAL VIOLENCE

Eastern Wyoming College does everything possible to create a safe and secure learning environment. However, sexual offenses may occur on college campuses and students should be aware and proactive in protecting themselves. Regular programming is conducted to educate students and staff on the nature and scope of sex offenses, and to assure people have access to information on how to report a suspected crime.

Eastern Wyoming College offers education and training to students, faculty and staff that promotes the prevention and awareness of sexual misconduct.

Prevention and Education

The College will provide a comprehensive education and prevention program, offering students, training on federally mandated topics including consent/sexual assault, bystander intervention, verbal
defense, alcohol use, intimate partner violence, sexual harassment and stalking. The program also offers students guidance on action to take in regard to these situations, and may be presented in a variety of formats.

Training
The College educates its community about sexual misconduct and effective prevention strategies. These topics are presented to students in the required education and prevention program. Faculty and staff are trained on these topics at new employee orientation, in-service and other College trainings. The local County Task Force on Family Violence and Sexual Assault offers sexual assault education and information programs to college students and employees upon request. Educational programming concerning sexual misconduct, risk reduction and EWC’s response is available through Residence Life and other Student Services offices.

Sexual misconduct is expressly prohibited and will not be tolerated. Sexual misconduct incorporates a range of behaviors including dating violence, domestic violence, hostile environmental sexual harassment, sexual assault, sexual exploitation, sexual harassment, stalking and any other conduct of a sexual nature that is nonconsensual. Violations of this Board Policy 2.2 will be addressed promptly, fairly and impartially.

Reporting procedures for student victims of sexual violence:
• In an emergency situation or based upon the student’s preference, the student should call local law enforcement (911) immediately. As soon after the call to law enforcement as possible, campus authorities should be notified.
• Whenever possible, the alleged victim should immediately contact the Vice President of Student Services if the assault occurs on campus.
• Incidents may also be reported by third party witnesses, friends, family or others by contacting a school official. Anonymous reporting is allowed; however, it makes for major challenges in investigations.

MISSING STUDENT NOTIFICATION
If a member of the Eastern Wyoming College community has reason to believe that a student or employee is missing for at least 24 hours, they must immediately contact the local police department. When making notification, provide as much information as possible regarding the missing person including: a physical description; what they were wearing when last seen; where they were last seen; what physical condition they were in when last seen; if they are driving or have a vehicle and its description; and whom they were with. In addition, report any information you are aware of related to medical or other special conditions. All possible efforts are made to locate the student/employee to determine his or her state of health and well-being though the collaboration with local Law Enforcement, Student Services, and other resources as available.

All residential students have the ability to identify a missing person contact in addition to their emergency contact. The identified person will be contacted by the institution within 24 hours of determining the student is missing. This contact information will be registered confidentially and will only be accessible to authorized campus officials and may not be disclosed except to law enforcement personnel in furtherance of a missing person investigation. Eastern Wyoming College will notify a parent of any student under the age of 18 who is not emancipated and missing.

The local police department will immediately notify or follow-up (if report is already filed) on the status of the missing person with appropriate law enforcement agencies. Concurrently, Eastern Wyoming College officials will endeavor to determine the student/employee whereabouts through contact with friends and associates.

ELECTRONICS AND POWER CORDS

Students are advised to consider the limited size of their living area and close living quarters when selecting electronic equipment for use in their living area. It is also requested that students use caution and not use excessive wiring to set up equipment. The only power cords, extension cords, surge strips or surge protectors approved in the residence halls must be no longer than 6 feet in length and have a 15 amp breaker. We recommend that you provide a UA approved power strip with a build in circuit breaker. For energy reasons, for safety reasons, and for aesthetic reasons, power cords cannot be run from residence halls windows to vehicles.
COOKING IN THE RESIDENCE HALLS
Cooking is allowed only in general use kitchens. Limited cooking, using only microwaves is permitted in units. George Foreman type grills or other appliances with an exposed burner or coil are not permitted in any unit. Any appliance in which the heating element is exposed are not safe and should not be used in residence hall units. This includes George Foreman type grills, hibachis and personal barbeques, toaster ovens, coffee makers, etc.

TOBACCO USE
The College will regulate tobacco use on property owned or controlled by the College; and, tobacco use by students at locations where instruction or student activities occur off campus. A General Administrative Regulation shall implement this Board Procedure. Definitions:

- “Smoking” as used in these procedures means the act of smoking tobacco or tobacco-like substances utilizing a cigarette, cigar or pipe.
- “Tobacco Use” means “smoking” or the use of “smokeless tobacco.”

Smoking or vaporing is prohibited in or near College owned or operated buildings and per the guidelines below for external areas. Smoking traditional pipes, cigarettes, hookahs, e-cigarettes and like items within or near College property is not allowed. This regulation also applies to e-cigarettes. An “e-cigarette” is defined as an electronic device that provides a vapor of nicotine or other substance and which simulates smoking through its use. It is an oral device that is composed of a heat element and is manufactured, distributed, or sold as an e-cigarette, e-cigar, e-pipe or any other product name or descriptor.

BURNING ITEMS AND OPEN FLAMES
Any items that produce burning or open flame are not permitted inside the residence halls, this includes but not limited to burning of incense, candles or any items that produce “hot wax”. Candles with wicks and incense are not allowed in on-campus housing because they present a fire hazard and may produce odors that disturb resident. If the Housing Staff finds candles or incense in your room, he or she will immediately confiscate the items. They will be returned to you at the discretion of the Housing Director. Disciplinary action will occur.

STORAGE OF COMBUSTIBLE MATERIALS AND EXPLOSIVE MATERIALS
At no time are combustible items to be stored in the residence hall living areas or storage areas. The College prohibits employees, students and visitors from possessing, using or storing any dangerous chemicals or explosive material on campus including fireworks and firearm ammunition. Setting off fireworks is a violation of Wyoming state law and housing policy. Possession of fireworks is a safety/fire hazard and is prohibited in on-campus housing. Additional flammable materials prohibited in on-campus housing include chemicals, gasoline, camping stove fuel and charcoal starter.

RESIDENCE HALLS-FIRE EVACUATION PROCEDURES
The following procedure is outlined in the 2018/19 Resident Student Handbook which is given to each student upon move-in to a residence hall room.
If a fire alarm sounds you should:

1. Put on a coat and hard-soled shoes quickly.
2. Take a towel with you to prevent smoke inhalation.
3. Close your windows.
4. Check your doorknob. If it is hot, do not open your door. If it is cool, exit cautiously and close your unlocked door. Be sure to take your keys with you.
5. Walk quickly and in an orderly manner to the nearest exit and away from the building.
6. DO NOT re-enter the building until you are told to do so by a staff member or a member of the fire department (even if the alarm is silenced).

If there is smoke or fire in the building, pull the nearest pull station and leave the building. While housing staff is partially responsible for evacuation, they are not trained firemen and will only act as long as they feel safe. You are your own best method of alarm and evacuation.

FIRE SAFETY AND EDUCATION TRAINING PROGRAMS
Emergency Procedures flipcharts are distributed to faculty and staff with information about responding to a fire emergency. Resident Assistants (RA’s) in Eastern and Lancer Hall review fire related training during RA training the week prior to the start of the Fall semester. This training includes a review of each residence hall’s fire suppression and notification systems, and the location and operation of fire extinguishers in each building.

**PREPARATION OF ANNUAL DISCLOSURE AND DISTRIBUTION OF CRIME STATISTICS**

The Campus Resource Officer, in collaboration with the President and Vice President for Student Services, prepares and disseminates this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our web site at https://ewc.wy.edu/consumer-information/. This report is prepared in cooperation with the local Law Enforcement agencies surrounding our campuses and alternate sites, Residence Life Housing, and Student Services. Each entity provides updated information on their educational efforts and programs to comply with the Act. Campus crime, arrest and referral statistics include those reported to the Torrington and Douglas Police, designated campus officials (including but not limited to Directors, Deans, Department Heads, designated Campus Residence Life Housing staff, advisors to students/student organizations, athletic coaches), and local Law Enforcement agencies. These statistics may also include crimes that have occurred in private residences or businesses and is not required by law. Counseling Services staff inform their clients of the procedures to report crime to the Torrington and Douglas Police on a voluntary or confidential basis, should they feel it is in the best interest of the client. A procedure is in place to anonymously capture crime statistics disclosed confidentially during such a session.

Each year, an e-mail notification is made to all enrolled students to provide the web site to access this report. Faculty and staff receive similar notification via email. Copies of the report may also be obtained at the Vice President of Student Services office at 3200 West C Street in Torrington, Wyoming or by calling (307) 532-8257. All prospective employees may obtain a copy from the Campus Resource Officer.

Of those crimes that occurred On Campus, in On-campus Student Housing Facilities, on or in Noncampus property or buildings, and on Public Property, enter the number of crimes that were unfounded. The total number of unfounded crimes should include all criminal offenses, hate crimes, domestic violence, dating violence, or stalking incidents that have been unfounded. Screening Questions

Please answer these questions carefully. The answers you provide will determine which screens you will be asked to complete for this data collection.

1. Does your institution provide On-campus Student Housing Facilities?
   - No.
   - Yes. (If Yes is selected, you must enter the number of student housing facilities below and enter Fire Statistics for each facility.)

Number of On-campus Student Housing Facilities:

2. Does your institution have any noncampus buildings or properties?
   - Yes
   - No

3. Have you combined statistics that you received from the local or state police with your institution statistics for this report? If you answer No to this question, you will be asked to provide the data you received from the local and state police separately.
   - Yes. Local and/or state law enforcement agencies provided us with statistics that we are combining with statistics collected by our campus security authorities.
   - No. We are not combining the statistics because we cannot determine whether the statistics we obtained from local and/or state law enforcement agencies are for on-campus incidents or public property incidents.
   - Not available. We cannot determine if the statistics we obtained from local and/or state law enforcement agencies are for our Clery geography.
   - Not available. We made a good-faith effort to obtain statistics from local and/or state law enforcement agencies, but the agencies did not comply with our request.
