Eastern Wyoming College was awarded a special grant through the Wyoming Works Program administered by the Wyoming Community College Commission to start a CDL Training Program. Although the COVID-19 pandemic prevented the program from getting started by spring of 2020 as we had intended, by November we were able to offer our first course and certify our first community members. The goal of the program is to provide specialized training followed by 3rd Party Testing to meet the Federal Motor Carrier Safety Administration’s regulations that will go into effect February 2022 that will require entry-level drivers to receive training through a FMCSA registered program.

EWC’s CDL Training program will be offered on a regular basis, ideally, every 5-6 weeks, depending on demand and enrollment. Both day-time and evening course options will be available. In addition, a course will be available for those individuals wanting to upgrade from a Class B to a Class A license.

For more information concerning the application process, the requirements for acceptance, and the fees for the CDL Training Program call Donna White at 307-532-8323.
EWC Community Education instructors are a fantastic group of community members, who are willing to plan for and teach wonderful classes for little compensation. That is why Community Education is asking all of our current and potential users to keep that in mind when you register for a class that you be willing to make the commitment to the class and make payment within 5 days of registration. If you are unable to make the commitment by pre-paying for the class, you will be placed on a wait list. We know that unexpected things come up and do have a refund policy, see below.

**EWC Community Education Refund Policy:** If you want to cancel your paid registration, notification is required at least two business days prior to the start of class. Failure to attend is NOT a cancellation. If you have questions, please call Community Education at 307-532-8323 or 307-532-8213.

As always, Community education will take names past the deadline and keep them on a waitlist.

If you want or need to cancel your paid registration, you must contact the Community Education Office 2 days prior to the trip. A refund will be made only if a replacement for you can be located.

About Wyoming Works

The Wyoming Works Program began as Senate File 122 (SF122) in Wyoming’s 65th Legislature. After passing both the House and Senate in February 2019, it was signed by Governor Gordon as Senate Enrolled Act 78 (SEA78). The legislation includes a $5 million appropriation; $3 million of which will used for individual student grants, and the balance will support program development.

Annual Wyoming Works grant availability (for approved programs that span more than one year) is subject to the Wyoming Legislature’s appropriation process and is contingent on the Commission issuing a grant allocation for approved programs at the college.

At the printing of this brochure EWC does not have a face mask requirement. We no longer have “loaner” mats for yoga, each participant is required to provide their own and we ask that the mats be taken home each day.

Drop-in “try-out” visits to a class are no longer allowed. Instructors are required to keep accurate attendance records and have been asked to not allow anyone into class that is not on the roster. This requires that all participants must pay fees prior to first day of attending class.

Summer Yoga

Our state believes in its young people and proves it by offering qualified high school students a chance to take college classes for FREE. Concurrent and Dual Enrollment classes are offered through Eastern Wyoming College. These classes count for both high school and college credit. Concurrent Enrollment courses are taught by EWC approved high school teachers at Lingle-Ft. Laramie High School, Niobrara County High School, Southeast High School and Torrington High School. Dual Enrollment courses are college courses taught by EWC and are taught at Lingle-Ft. Laramie High School, Niobrara County High School, Southeast High School and Torrington High School.

- Students get a chance to try out college classes and earn credits toward a two year or four year degree or career/technical certificate.
- If students apply themselves, they could earn a degree or certificate by the time they graduate from high school.
- Students will discover this program is a two-for-one deal: classes count for both high school graduation and college credit.
- Students will be challenged through rigorous college classes while getting a running start at college.
- If a student is a senior, they will avoid “senioritis” by taking relevant classes and starting a college degree or certificate program.
- Students will save money when they go to college because they will not have to stay as long or pay for as many classes. And, the Hathaway Scholarship dollars will stretch further.

Students can enroll in classes at Lingle-Ft. Laramie High School, Niobrara County High School, Southeast High School and Torrington High School if they are eligible and have met course requirements. For more information, students need to contact the EWC Coordinator or high school counselor.

Parents and students can also contact Kim Russell at Eastern Wyoming College – Torrington for more information (307.532.8280)

COMMUNITY EDUCATION/WORKFORCE DEVELOPMENT POLICIES

PARTICIPANT CONDUCT: All participants in an EWC sponsored Community Education or Workforce Development program, class, or event, including children, are expected to conduct themselves in a manner that is respectful toward the instructor and other participants. Anyone displaying inappropriate or disruptive behavior will be asked to remove themselves from the class/event. In the case of children, displaying inappropriate or disruptive behavior that cannot be redirected, will result in a parent or guardian being contacted and asked to remove the child.

REGISTRATION DEADLINE: Unless otherwise noted, registration is ongoing until the class fills or begins. Class sizes are limited and registration is first-come, first-served. Registrations are not complete until payment is received.

CANCELLATIONS: Occasionally classes are cancelled due to insufficient registration or unforeseen circumstances. All fees will be refunded if Eastern Wyoming College cancels the class. Typically, the decision to cancel a class is made two days prior to the start of class, so register early to prevent cancellations.

REFUND POLICY: If you want to cancel your registration, notification is required at least two business days prior to the start of class or the registration deadline, whichever is sooner. Failure to attend is NOT a cancellation. If you have any questions, please call Community Education at 307.532.8323 or 307.532.8213.

INCLEMENT WEATHER: In the event of inclement weather, call Eastern Wyoming College - Donna White 307.532.8323 or 307.532.8213, or your Outreach Coordinator.
