Basic Self-Defense For Women
Instructors: TPD Chief Johnson & Officer Matt Maestas

WOMEN, LADIES, GIRLS: take responsibility for preparing yourself in the event of a crime—the more prepared you are, the less likely you will need to defend yourself. This class is designed to increase your personal level of awareness, thus reducing the chance you will find yourself in a compromising situation, whether it be at home, in a parking lot, or out jogging. Basic self-defense techniques will be demonstrated with opportunity for practice. Even if you’ve taken a shorter version of this class, it is always to your benefit to refresh or practice your self-defense skills, and you will learn so much more in this full day class. This would be a great Mom & Daughter event.

Location: CTEC 101 & 133
At the printing of this brochure EWC does not have a face mask requirement. We no longer have “looser” mats for yoga, each participant is required to provide their own and we ask that the mats be taken home each day. Drop-in “try-out” visits to a class are no longer allowed. Instructors are required to keep accurate attendance records and have been asked to not allow anyone into class that is not on the roster. This requires that all participants must pay fees prior to first day of attending class.

N' Balance  
Instructor: Melanie Herring, North Platte Physical Therapy

One third of community-residing adults aged 65 and older suffer a fall each year. Falls are the leading cause of injury-related deaths in older adults. N’ Balance is a class that takes a practical approach to balance exercises, focusing on parts of the body and how they influence balance. N’ Balance will focus on training the three systems that affect balance: somatosensory, visual, and vestibular. Participants will learn exercises that will challenge the somatosensory, visual, and vestibular systems because as people age they become more sedentary, which results in decreased use of these systems causing decreased strength and activity levels. This class meets 2 times a week for 1 hour sessions, with one additional session for baseline testing before beginning the class activities. Join this class and become more active and confident in the community and home while possibly expanding your social life. Pre-registration is required, no drop-ins.

I Yoga—You Yoga—We All Yoga

The practice of yoga makes the body strong and flexible, it also improves the functioning of the respiratory, circulatory, digestive, and hormonal systems. Yoga brings about emotional stability and clarity of mind. EWC’s yoga instructors center their classes on two major yoga styles—hatha and vinyasa. Hatha refers to the practice of physical poses and vinyasa refers to the coordination of your breath and movement from one pose to another, the flow. All yoga classes have a class size minimum of 5.

Healthy Aging Yoga

No matter what we do, we all get older. In spite of that fact, there are things that can help us age in a graceful and healthy way. This yoga class is one of those ways. Instructor: Sandy Huckfeldt

A yoga class designed just for men! Build flexibility and strength through an active vinyasa practice with a variety of poses and sequences. Get your heart rate up and break a sweat in this early morning workout. Yoga is one of the few physical activities that has a “de-compacting” effect on the body & counters the effects of gravity associated activities such as running or jogging, and provides much needed “symmetry relief” to such asymmetric endeavors as racquet sports and golf, which torque the spine in only one direction. And the best part is you don’t even have to touch your toes!

About Wyoming Works

The Wyoming Works Program began as Senate File 122 (SF122) in Wyoming’s 65th Legislature. After passing both the House and Senate in February 2019, it was signed by Governor Gordon as Senate Enrolled Act 78 (SEA78). The legislation includes a $5 million appropriation; $3 million of which will used for individual student grants, and the balance will support program development. Allocation details will be managed by the Wyoming Community College Commission, as these monies will be distributed among all seven Wyoming community colleges.

Annual Wyoming Works grant availability (for approved programs that span more than one year) is subject to the Wyoming Legislature’s appropriation process and is contingent on the Commission issuing a grant allocation for approved programs at the college.

Note: Additional programs, which will also qualify for Wyoming Works grants, are under development. Please check back or inquire with Academic Services regarding new programs.

- You must notify the local EWC Outreach office or the EWC Registrar’s office to drop a course and ask if you qualify to receive a refund.
- Tuition and fees are refunded in full through eight calendar days, beginning with the first day of class.
- Tuition refund is 25 percent through 29 calendar days, beginning with the first day of class, with no refund for activity and use fees.
- After 29 calendar days, there is no refund.

**Placement Exams**

COMMUNITY EDUCATION/WORKFORCE DEVELOPMENT POLICIES

PARTICIPANT CONDUCT: All participants in an EWC sponsored Community Education or Workforce Development program, class, or event, including children, are expected to conduct themselves in a manner that is respectful toward the instructor and other participants. Anyone displaying inappropriate or disruptive behavior will be asked to remove themselves from the class/event. In the case of children, displaying inappropriate or disruptive behavior that cannot be redirected, will result in a parent or guardian being contacted and asked to remove the child.

REGISTRATION DEADLINE: Unless otherwise noted, registration is ongoing until the class fills or begins. Class sizes are limited and registration is first-come, first-served. Registrations are not complete until payment is received.

CANCELLATIONS: Occasionally classes are cancelled due to insufficient registration or unforeseen circumstances. All fees will be refunded if Eastern Wyoming College cancels the class. Typically, the decision to cancel a class is made two days prior to the start of class, so register early to prevent cancellations.

REFUND POLICY: If you want to cancel your registration, notification is required at least two business days prior to the start of class or the registration deadline, whichever is sooner. Failure to attend is NOT a cancellation. If you have any questions, please call Community Education at 307.532.8323 or 307.532.8213.

INCLEMENT WEATHER: In the event of inclement weather, call Eastern Wyoming College - Donna White 307.532.8323 or 307.532.8213, or your Outreach Coordinator.
