**ACTION/MINUTES**

1. Committee Members WELCOME!	Introductions were made of those present, see roster.
2. <b>Changes in Program Administration.</b>	Suzey Delger introduced herself for those who didn't know her as Interim Director until the end of this semester.
3. <b>Faculty Hired-Douglas Campus:</b> Kasey Powell and Amber Solman 4. <b>Torrington Campus-</b> Monica Teichert	Introduced new faculty
5. <b>Status with WSBN and ACEN:</b> Plan of Action and monthly meetings	We discussed the current situation with our Nursing Program and status of probationary status with the WSBN. Suzey explained about our pass rates, 50% for Class of 2020, and 45% for the class of 2021. We have addressed all issues that we can think of and hope to make improvement with this cohort.
6. <b>Perkins Funds:</b> May have to redo our request due to low enrollment and federal cut in what EWC receives.	Requested funds for Laerdal Simulation Scenarios which was funded
7. <b>Clinical sites:</b> A HUGE THANKS!	We discussed our heartfelt gratitude to our clinical partners. A discussion ensued about sending students to clinical sites without "adjunct faculty present" and we learn that schools are doing this. We will look into it and decide if the WSBN new Chapter 6 will allow it.
8. <b>Next Meeting-</b> Fall of 2022
