HOW DOES A SUMMER AWARD IMPACT TOTAL HATHAWAY ELIGIBILITY?

To better explain the impact summer awards can have on total eligibility, please review the following:

Honors, Performance, and Opportunity Levels: Students who receive the Honors, Performance, or Opportunity levels of the Hathaway Scholarship can receive the award for the *equivalent* of eight full-time semesters (96 total paid credits). These students can choose to use their Hathaway for up to four full-time semesters (48 paid credits) at a community college and can then use the rest of their eligibility at the University of Wyoming (UW) OR they can choose to attend UW for all eight semesters of eligibility.

Provisional Opportunity Level: Students receiving the Provisional Opportunity level of the Hathaway Scholarship can receive the award for the equivalent of four full-time semesters (48 paid credits) at a community college. Should students receive a certificate during those semesters, the scholarship may be extended at the community college so they can pursue an additional certificate or an Associate's Degree. Students who earn an associate's degree may transfer the scholarship (if they have not already been paid for 96 total credits) to the University of Wyoming to pursue a bachelor's degree.

Initiating and/or using your Hathaway Scholarship during the summer DOES count towards your eligibility. For example, if a student attends EWC full-time (full-time for Hathaway) for the Fall, Spring, and Summer semesters, and gets paid Hathaway for *all three* semesters instead of *just* the Fall and the Spring, the student is now only eligible to receive one more semester of Hathaway at EWC. If the student does not get paid for the Summer semester (only gets paid for the Fall and Spring), the student will still have two semesters left of Hathaway at EWC. Please consider this aspect before applying to use Hathaway during the Summer.

SCHOOL INFORMATION

• I am applying for Hathaway to be started (initiated) at EWC for the following term and year: (Select one)

Applications and all supporting documents (official transcripts, test scores, etc.) MUST be submitted prior to the first day of class for your program.

___ Summer Year: _____

• I am applying for Hathaway to be: (Check one)

- ___ Started (initiated) for the Summer and WILL attend EWC in the Fall
- ___ Started (initiated) for the Summer and will NOT attend EWC in the Fall
- ___ Continued (you have received Hathaway previously)

• I plan on enrolling/registering as: (Check one)

Hathaway is prorated for less than full-time enrollment, and can only pay for non-remedial credits.

- ___ Full-time (12+ credits)
- ___ Part-time (6-11 credits)
- ___ Less than Part-time (1-5 credits – you can only utilize this option for summer terms)

Remedial Courses: Hathaway cannot fund classes that are under 1000 level. For example, if you test into MATH_0930 Intermediate Algebra, and are enrolled in 12 total credits, the three credits for the math class aren't counted toward your total Hathaway enrollment or Hathaway GPA. Hathaway is prorated for less than full-time non-remedial enrollment, so in this example, you would only be awarded for 9 credits rather than 12 credits.
