Launched night school	<p>Red Carpet Welcome Introduction of faculty and BOT Students are very eager and positive! Setting up clinical sites Adding adjuncts for Day in Wheatland: Abby Bremer and Kerry Campbell</p> <p>We have an excellent reputation. Our students are greatly appreciated in the community. We have several new adjunct faculty for days and nights – Venessa Yoosook (night, Douglas), Abby Bremer (days, Douglas), Kerry Campbell (day, Douglas), Ingrid Long (nights, Torrington), and another Torrington RN for nights. Banner Health donated \$60K for the setup of the SIM lab in Torrington.</p>	
ACEN Visit: March	<p>We will submit the self-study in December for a visit to Torrington in March.</p> <p>We have submitting paperwork to start the process for the substantive change. The site visit will probably involve mostly Torrington and Scottbluff and be sometime in February or March.</p>	
Perkins Funds	Asked for and received the money for two faculty to attend OADN Conference in Louisville Kentucky.	

	Ask for this and SimStore Credits for our Simulation Labs. Total of \$5,000.	
Wreath Auction December 6th following Community Concert	<p>Please attend if you can! Thanks for all your support to the Nursing Program</p> <p>This is to help members of the SNA pay for the NCLEX review course.</p>	
Next meeting: Spring Semester, in April?	Suzey will schedule after the ACEN Sub. Change Vistor	
<p>Other</p> <p>New Day Cohort admission in Douglas in Fall 2020</p>	The new cohort for Days in Douglas will begin the admission testing in December. The application will open on December 1.
