Broga (Yoga for Men)

Are you a man? Are you a hardworking man? Do you let out a little groan every time you bend over to pick something up? When was the last time you tied your shoelaces...while standing up? Do you have your chiropractor on speed dial? Whether you wear nail bags or a tie, load gravel into trucks or paper into the copier, push dirt with a dozer or a pencil across your desk, Broga is for you.

Yoga is as close as we can come to manipulating, adjusting, strengthening, and massaging our own muscles, bones, and joints. Through stretching and breathing, we can improve not just our range

of motion, but also our quality of life. I can help you to create a custom stretching routine to help with what ails you.

Take matters into your own hands, stand a little straighter, walk a little taller, and feel a little stronger and better throughout your day. Come to Broga. Wear something comfortable that you can sit on the floor and stretch in, and bring a mat (if your wife has one).

EWC CONCURRENT & DUAL ENROLLMENT CLASSES AT

HULETT HIGH SCHOOL SUNDANCE HIGH SCHOOL
MOORCROFT HIGH SCHOOL

Wyoming believes in its young people and proves it by offering qualified high school students a chance to take college classes for FREE. Concurrent and Dual Enrollment classes are offered through Eastern Wyoming College. These classes count for both high school and college credit. Concurrent Enrollment courses are taught by EWC approved high school teachers at Hulett High School, Moorcroft County High School, and Sundance High School. Dual Enrollment courses are college courses taught by EWC and are taught at Hulett High School, Moorcroft County High School, and Sundance High School. .

- Students get a chance to try out college classes and earn credits toward a two year or four year degree or career/technical certificate.
- If students apply themselves, they could earn a degree or certificate by the time they graduate from high school.
- Students will discover this program is a two-for-one deal: classes count for both high school graduation and college credit.
- Students will be challenged through rigorous college classes while getting a running start at college.
- If a student is a senior, they will avoid "senioritis" by taking relevant classes and starting a college degree or certificate program.
- Students will save money when they go to college because they will not have to stay as long or pay for as many classes. And, the Hathaway Scholarship dollars will stretch further.

Students can enroll in classes at Hulett, Moorcroft and Sundance High Schools if they are eligible and have met course requirements. For more information, students need to contact the EWC Coordinator or high school counselor.
