

Eastern Wyoming College Student Right to Know 2023

Disclosure of Graduation/Completion and Transfer-out Rates to Prospective Athletes, Parents, and Other Required Parties

Eastern Wyoming College
**Student Right-to-Know Act
Graduation Rate Report**

In accordance with the Higher Education Act of 1965, as amended, Eastern Wyoming College is pleased to share with you the following information on the graduation and transfer-out rates of our (2020- 2021) cohort of full-time, first-time, degree or certificate seeking undergraduates and student athletes that received athletic financial aid.

While reviewing this information, please keep the following in mind:

- All graduation rates are based upon 3 years of attendance which equates to 150% of the normal completion time of our longest program.
- All transfer rates are based upon students that transfer at anytime up to 150% of the normal completion time of our longest program.
- Either graduation or transfer-out is considered as a success (some success rates in charts below might not be exactly equal to the sum of above two rates due to the rounding).
- These charts do not identify the reasons why our students withdrew; therefore, students who withdrew for personal or medical reasons are included.
- Graduation and transfer-out rates do not include students who left school to serve in the armed forces or on official church missions or with a foreign aid service of the federal government, or students who died or were totally and permanently disabled.
