Salsa Dance

Brad Geffen

No dance partner, no problem. Brad has developed a technique where you can dance solo. Participants will follow along from behind - no mirroring of the instructor – just follow along. These steps look and feel so good that most will easily get up on the dance floor and confidently dance solo. However, Brad will partner with

every student so they get a feel for lead/follow dynamics.

Instructor Background

Brad has been dancing for over sixty years and teaching dance for about 45 years. His focus is East Coast Swing, Cha-Cha and Foxtrot (modified). He combines these modalities so that no matter what the music or setting you'll feel comfortable and confident when you step out on to the dance floor.

REMEMBER: NO DANCE PARTNER REQUIRED.

For class wear light comfortable clothing that breathes... class is loads of fun but you will probably break a sweat. Be sure your shoes have leather soles or another material with little grip so you can pivot and slide easily. It is recommended that you come 5-10 minutes early for a little light stretching and getting to know one another.

EWC CONCURRENT & DUAL ENROLLMENT CLASSES AT

DOUGLAS HIGH SCHOOL
GLENROCK JR/SR HIGH SCHOOL

Wyoming believes in its young people and proves it by offering qualified high school students a chance to take college classes for FREE. Concurrent and Dual Enrollment classes are offered through Eastern Wyoming College. These classes count for both high school and college credit. Concurrent Enrollment courses are taught by EWC approved high school teachers at Douglas High School and Glenrock Jr/Sr High School.

- Dual Enrollment courses are college courses taught by EWC and are taught at Douglas High School and Glenrock Jr/Sr High School.
- Students get a chance to try out college classes and earn credits toward a two year or four year degree or career/technical certificate.
- If students apply themselves, they could earn a degree or certificate by the time they graduate from high school.
- Students will discover this program is a two-for-one deal: classes count for both high school graduation and college credit.
- Students will be challenged through rigorous college classes while getting a running start at college.
- If a student is a senior, they will avoid "senioritis" by taking relevant classes and starting a college degree or certificate program.
- Students will save money when they go to college because they will not have to stay as long or pay for as many classes. And, the Hathaway Scholarship dollars will stretch further.

Students can enroll in classes at Douglas High School or Glenrock Jr/Sr High School if they are eligible and have met course requirements. For more information, students need to contact the EWC Coordinator or high school counselor.
