Terms of Employment

Job Description

As a faculty member at Eastern Wyoming College (EWC), you will be using your subject area expertise to teach our students, advise students, recruit and retain students, participate on committees, and support the mission, vision, and strategic directions of the college. (See Appendix A)

Continuing Contract / Tenure

As per [Board Policy 3.3 /Administrative Rule 3.3.1](#), faculty will be hired for a term that will not exceed one year. Each spring an additional annual Employment Contract (See Appendix B) may be offered to the faculty at the discretion of the College President. The College President shall consider tenure for faculty after their tenure process. Faculty with dates-of-hire prior to 2019 will adhere to the five-year tenure process previously in place. New faculty hired beginning fall 2019 semester or thereafter will adhere to the three-year tenure process. Refer to the Faculty Handbook for a full description of both tenure processes. Adjunct employment and summer terms do not contribute toward tenure. Faculty may request to stop the non-tenure clock once, for a maximum of one year (i.e. two semesters), during the three-year process; after approval from the College President. If tenure is not achieved at the end of three or five consecutive years' classroom experience (depending on date of hire), then the faculty will be dismissed. However, due to special or extenuating circumstances, the College President may grant one additional year of non-tenure status to assess possible tenure status. After tenure is received, a faculty member has the right to hold the position during efficient and competent service and the right not to be removed therefrom except for such causes as incompetency, neglect of duty, physical or mental causes, incapacity, dishonesty, insubordination, immorality, conviction of a felony, or for bonafide financial exigencies on the part of the institution. Should the faculty be promoted to an administrative position, earned faculty tenure rights do not accompany the employee to his or her new position. When a faculty employee resigns or otherwise voluntarily leaves employment with EWC, that faculty's tenure rights, status, and expectations end with their date of resignation.

Adjunct faculty will receive a part-time instructional authorization form for courses they are teaching. Adjunct faculty are considered to be temporary part-time employees.

New instructional faculty will participate in a new faculty orientation with the Executive Dean of Academics and Program Directors/Department Heads. All new employees will participate in an orientation session with the Director of Human Resources where all EWC Personnel Policies will be reviewed.

Faculty under a 9-month contract may be contracted separately to teach or perform other duties as assigned during the summer term at an agreed upon pay rate (for example, the adjunct rate of \$740 per credit for teaching).

Official Faculty Transcripts and Resume

Faculty Handbook 2024-25

EWC requires all employees, including adjunct and concurrent instructors, to have current official college transcripts and a current resume (within five years) on file in the Human Resources Office. An official transcript includes the registrar's signature, graduation date, the college or university seal, and issue date. The issuing institution delivers an official transcript in a sealed envelope or via email directly to EWC.

Workload

Full-time faculty members are contracted to teach the equivalent of 30 credit hours per academic year (fall and spring terms) as determined by the class enrollment averages of Day One and Day Ten Class enrollment count for Regular Semester Courses and the class enrollment averages of Day One and Day Four enrollment count for Block A and B Courses. Overload pay for full-time faculty is allowed if the workload exceeds 30 hours. Pay for overload is paid at the same rate as that of an adjunct instructor. Including overload credits, a maximum teaching load for EWC faculty is 21 credit hours per semester ([Board Policy 3.9](#)).

Adjunct faculty agree to the workload of their contracts, which will not exceed 8.75 credit hours per semester unless approved by the Vice President Student & Academic Services (VPSAS) and Human Resources Director.

Workload credit for most classes is equal to the credit-hour value for the class, with exceptions for labs, internships, etc. Classes are subject to cancellation at the discretion of the Program Director, Department Head, Outreach Coordinator, or VPSAS. Classes are not guaranteed unless the class has a minimum number of six (6) students. Classes with less than six (6) students may be prorated at .5 workload for each credit hour. Classes with one (1) or two (2) student will be considered for independent study will be prorated at one (1) credit per three (3) credit course, and must be pre-approved. Other instructional activity items provide workload credit according to the following table. See [Appendix C](#) for an example of workload calculation.

Item	Credit Points	Semesters
Program Director/Department Chair	4 credits	FA & SP
Livestock Judging & Show Team Coach	6 credits	FA & SP
Outcomes Assessment Coordinator	3 credits	FA & SP
HLC Initiative Coordinator	3 credits	FA & SP
Math Placement Coordinator	1.5 credits	FA & SP
Laboratories—for each two contact hours	1 credit	Any

Nursing Faculty Workload

Full-time nursing faculty report directly to the Nursing Director. Part-time/adjunct nursing faculty report directly to their full-time instructor.

Faculty Handbook 2024-25

Full-time nursing faculty will facilitate the Student Nurses Association (SNA) group as part of the committee requirements. Full-time nursing faculty may participate in other college committees as time permits. There is no committee participation requirement for part-time/adjunct nursing faculty.

Workload is calculated for full-time nursing faculty as follows:

- Lecture - 1:1 clock hours
- Clinical - 1:1 student for first year classes (NURS 1100, NURS 1200)
- Clinical - 1.25:1 student for second year classes (NURS 2300, NURS 2400)
- Lab - 1:4

Workload hours for full-time faculty:

	Health Promo	Chronic	Acute	Complex
Lecture	6	6	5	4
Clinical	8	8	10	10
Lab	1	1	1	1
Total	15	15	16	15

Workload hours for part-time/adjunct faculty per week:

	Health Promo	Chronic	Acute	Complex
Lecture	0	0	0	0
Clinical	8	8	10	0
Lab	1	1	1	0
Total	9	9	11	0

Independent Study Classes

When there are not enough students enrolled in a course for it to run on its own, consideration may be given to allow the course to proceed as independent study. Factors that are weighed for continued course offering include program requirements, possible course substitutions, future opportunity for student enrollment, timing of next offering, availability of distance course offerings throughout the state, and the student's intent to graduate. Pay or workload credit will be determined by the VPSAS. The VPSAS must approve the course for independent study.

Academic Advising

Academic advisors are drawn from full-time faculty members, professional staff with assigned faculty duties, and other professional staff or administration and are assigned student advisees by the Office for Academic Services. Academic advisors have the responsibility of helping students to identify career goals and to plan a program of study that will serve to accomplish these goals. They further handle student registration, student performance issues, and serve as the primary contact

Faculty Handbook 2024-25

for students with regard to their academic program. Whenever possible, advisees will be assigned according to the student's degree or certificate program, corresponding to faculty department membership.

Full-time faculty members and professional staff with assigned faculty duties may be assigned up to 15 active advisees enrolled in six or more credit hours within the terms of their contract. Potential advisee overloads will be taken under consideration by the relevant Program Directors, Department Heads, and the VPSAS. Overloaded faculty members will be awarded workload credit of one credit-hour for up to 15 more advisees, as determined on October 15 of each year. Only in special situations will a single member of this group be assigned more than 30 advisees at the discretion of the VPAS. In the case of students having co-advisors, the primary advisor will be considered for workload calculation as above.

Academic advisors will review their advisee assignments at the beginning of the semester inform the Academic Services Coordinator of any changes prior to October 15 of those advisees who should be removed from that assignment. Particular attention should be paid to:

- Recent graduates
- Pre-registered students who do not show up for classes in the fall

Adjunct faculty are exempt from academic advising.

Office Hours

Full-time Faculty are expected to schedule and inform students of a minimum of five (5) office hours held throughout the week. A schedule indicating the instructor's class and office hours' schedule with relevant contact information should be posted at the instructor's office. A combination of regular, virtual, and non-traditional office hours, including times by appointment, are acceptable. Office hours should be included in class syllabi.

On Campus

Full-time faculty are expected to be on campus a minimum of thirty (30) hours per week including the five (5) posted office hours per week.

Curriculum Development

Faculty will be involved in curricular development and assessment. Benefitted faculty members are responsible for contributing to the quality of on-campus, distance, and off-campus offerings, and will work with adjunct faculty to enhance educational effectiveness. Faculty members, Program Directors, and Department Heads will also work with adjunct faculty who deliver concurrent enrollment classes in order to determine that quality of instruction is maintained.

Committee Work

Full-time faculty members may join various standing and ad-hoc committees as related to their interest and experience. Some committee membership is by appointment, invitation, or election. It is strongly encouraged that all full-time faculty members, especially new faculty, be involved in at least one committee.

Faculty Handbook 2024-25

Adjunct faculty may be asked to join a committee as the need arises.

Strategic Planning

All full-time EWC employees participate in the strategic planning process. Faculty members will typically be part of an academic area grouping for the purpose of strategic planning.

Outcomes Assessment

The annual outcomes assessment report demonstrates that assessment activities at EWC are an important part of the educational process. Assessment at EWC is tied to the institution's mission, vision, and goals. Our Assessment consists of multiple measures including both direct and indirect activities. The assessment plan is updated annually by the Outcomes Assessment Committee and can be found online at <https://ewc.wy.edu/outcomes-assessment>.

All faculty members are expected to actively engage in ongoing assessment practices as defined by the institution's Assessment Plan including **Course Assessments**, and **Program Assessments**. All courses and programs should have clearly defined learning outcomes. Each program will complete and regularly monitor an updated Curriculum Map aligning program learning outcomes and institutional learning outcomes with program courses.

As such, assessment activities are conducted, results are reviewed and disseminated, and changes made in the classrooms, programs, the strategic planning and budgeting process, and in the overall college based on these assessment results.

The Assessment Cycle is a continuous process of analysis of mission, development of goals and objectives, identification of measures of learning outcomes, assessing, collecting and interpreting data, disseminating useful information, proposing changes, and instituting, monitoring, and evaluating those changes.

Commencement

All full-time faculty are expected to participate in the EWC Commencement Ceremony held in May. Permission to be excused from this activity must be obtained from the VPAS prior to the ordering of faculty regalia.

Faculty Evaluation

The responsibility for the evaluation of instructional activities has been assigned to the Office of Academic Services (See Appendix D). Your evaluation will consist of:

- one or more classroom observations
- student evaluations of instruction
- an evaluation of overall job performance and goal attainment

Tenured Full-time Faculty

The VPSAS will manage continued evaluation of tenured faculty. A minimum of one classroom observation will occur once per year. The VPSAS will also schedule a conference with each faculty

Faculty Handbook 2024-25

member to develop and review professional growth goals and performance evaluation once a year.

Non-tenured Faculty

The VPSAS and appropriate Program Directors will manage continued evaluation of non-tenured and adjunct faculty.

Adjunct Faculty and Concurrent Instructors

The school district that employs concurrent enrollment faculty will manage evaluation of those instructors. The Office of Academic Services may request a conference with appropriate school district personnel to discuss any concerns about a concurrent college class or instructor. In addition, EWC will conduct student evaluation of faculty for all sections of all college classes taught by each instructor each semester.

Classroom Observation

Upon completion of a classroom observation, the VPSAS or Program Director will provide a written summary of the observation. A conference will be held to discuss the observation, and both parties will sign the evaluation form. The completed and signed form will be sent to the Office of Academic Services and also placed in the employee's personnel file. See [Appendix E](#) for the Classroom Observation form.

Student Evaluation of Instruction

Course evaluation by students is part of an evaluation of instructional activities required by [Board Policy 4.0](#). All sections of all classes with four or more students will be evaluated by students each semester. Student evaluation are administered on Canvas using EvaluationKIT. Results from these evaluations will be available electronically one week following the conclusion of the semester, except HLTK classes which become available 14 days after the class ends.

Evaluations generally follow this schedule:

- Concurrent (as of 2/27/19)
 - Fall: Open Nov 15 6am, close Dec 15 6pm, open reports Feb 1
 - Spring/Year: Open Apr 15 6am, close May 15 6pm, open reports Jun 1
- College Courses
 - Start
 - Full term: Monday, two weeks before the last day of classes, 12:00 am
 - Block terms: Monday, the full week before semester midterm or finals, 12:00 am
 - Summer term: Monday, two weeks before the last day of classes, 12:00 am
 - End
 - Full term: Friday before the last day of classes, 11:55 pm
 - Block terms: Sunday, before the last day of classes, 11:55 pm
 - Summer term: Wednesday, before the last day of classes, 11:55 pm

Faculty Handbook 2024-25

See [Appendix F](#) for the Student Evaluation of Instruction questions.

Annual Evaluation

The VPSAS and/or Program Directors will meet once a year with full-time faculty to discuss activities related to professional growth goals and to set new goals. This review will allow for rebuttal and both parties will sign the evaluation form. The completed and signed form will be sent to the VPSAS and also placed in the employee's personnel file. See [Appendix G](#) for the Annual Evaluation form.

Instructional Expectations

EWC Code of Conduct

Faculty: Faculty are expected to adhere to the EWC Employee Code of Ethics ([Board Policy 3.10](#)), paying specific attention to Administrative Rule 3.10.1 Item #9.

With regard to copyright law, faculty are expected to follow the same guidelines outlined in the College Catalog.

Please refer to [Board Policy 5.13](#) for the Student Code of Conduct and [Board Policy 5.14](#) for the Student Grievance and Student Complaint Policy and Student Grade Appeal Process.

Students: Students are expected to be well-motivated and constructive in their pursuit of learning in the instructional situation. Expected student conduct is outlined in [Board Policy 5.13 Student Code of Conduct](#).

With regard to copyright law, students are expected to follow the same guidelines outlined in the College Catalog. A reminder of this policy is sent to each student every semester.

Syllabi

For each class being taught, each instructor is required to have a comprehensive course syllabus available for students the first week of class. These syllabi should be published on Canvas, and one electronic copy must be submitted to the appropriate Program Director, Department Head, or Outreach Coordinator by 5:00 pm on the second day of faculty in-service for the upcoming semester. The Program Director, Department Head, or Outreach Coordinator is responsible for reviewing and submitting those copies to the Academic Services Office.

The course syllabus is a brief statement of the main features of a course. The syllabus should provide a comprehensive description of the breadth and depth of the course. Since it serves the informational needs of students, instructors, administrators, registrars, and others, the syllabus should be complete, accurate, and clear. A sample syllabus and syllabus template containing the following required elements is available at [M: >Instruction>Public>Syllabus Format Documents](#).

Each academic area develops course syllabi and instructional material for that area. Adjunct faculty are expected to follow the sample course syllabus, the course syllabus format and template, and use the assigned textbook. One may, of course, supplement the instructional material. However, any significant deviation regarding sequence or material should be discussed with the Program

Faculty Handbook 2024-25

Director, Department Head, or appropriate administrator. Even though courses taught by faculty members must be based upon the departmentally developed common course outlines, individual faculty must still develop the specific syllabus/outline for each semester's contracted offerings.

Minimum Canvas Requirements

Each academic class at EWC has an unpublished Canvas course associated with it. It is expected that faculty publish each course with the following minimum elements available to students:

- Syllabus
- Schedule
- Gradebook
- Inbox

Faculty may optionally utilize other features at their discretion. Please contact Instructional Technology and they will assistance with Canvas including combining sections, transferring content, textbook, publisher, and test bank integration.

Class Meetings

Be considerate of students; bear in mind that they are contractually entitled to a certain share of instructor's time. Many of them drive long distances, arrange childcare, etc., to attend classes. They have the right to expect that class will begin promptly in the assigned location and will continue as scheduled, including reasonable breaks.

First Class Meeting: Distribute and review the course syllabus with students during the first meeting. You should also explain to the students any expenses, supplies, special requirements, field trips, etc. Students should be encouraged to begin readings and other course work for your class. Course material may be presented during the first class meeting.

Class Meeting Location: Faculty are to use only assigned classrooms in order that students may be able to find classes. Changes are to be made only with the prior approval of the Program Director, Department Head, or Outreach Coordinator. They will coordinate with the Academic Services office for confirmation of room availability. Notification should be left within the classroom and/or on the door of the assigned room indicating the new location of the class.

Class Meeting Times: Faculty are generally expected to begin all classes on time and not to dismiss students before the end of the class period. Students will have proper regard for the course if its importance is demonstrated by using every minute available.

Class Breaks: College policy is to allow approximately five minutes of break for each hour of class if scheduled to meet for more than one hour. For example, a three-hour class should include about 15 minutes of break. Some faculty like to schedule two shorter breaks in the class; others prefer to meet continuously and then let everyone out 15 minutes early.

Faculty Handbook 2024-25

Class Rescheduling: If a class meeting time is to be permanently rescheduled, every effort should be made to allow for full student participation. Contacting students is the responsibility of the faculty. Once the new meeting time has been organized, the Program Director, Department Head, or Outreach Coordinator should be notified at least one week prior to the desired date in order to arrange for building or classroom openings as necessary.

Field Trips: Field trips related to course learning outcomes are encouraged and require approval by Program Director or Department Head. Faculty are responsible for arranging all aspects of the trip, including transportation and supervision of students. Academic area budgets will be charged for use of campus vehicles. [The Field Trip Report Form \(available at M:Instruction>Public>Faculty Forms\)](#) should be completed before the trip. Both sponsors and students are allowed to drive EWC vehicles. Students should sign and return travel waivers before leaving on the trip. Please see the complete Vehicle Use Policy ([Board Policy 6.7](#)).

- Car, Van (up to 12 people, including college-approved driver) or Shuttle (up to 14 people, including college-approved driver): contact Information Center at least 14 days in advance, if possible.
- Bus & driver: Contact the Athletic Director at least 30 days in advance.

Guest Lecturers and Honoraria: Faculty members wishing to invite guest lecturers to their classes may do so without any other administrative consent. Approval by a Program Director, Department Head, or the VPSAS is required prior to utilization of paid consultants or guest lecturers. No full-time employees of the college may be paid by the college for consulting services or as a guest lecturer.

Intern/Externships: Some programs provide students with opportunities to work within their field of study in an internship or externship experience. Faculty should work with training work sites so that an understanding of student behaviors and outcomes and employee expectations can be established. Further, faculty must complete an Externship Agreement between the work site, the college, and the student for each student enrolled in such an experience.

Class Cancellation

If an instructor is unable to hold class at the scheduled time, the appropriate Program Director, Department Head, or Outreach Coordinator should be notified. Faculty should also make every attempt to notify students through email, Canvas, or other means of communication. If signage needs to be posted on classrooms, please email Academic.Services@ewc.wy.edu or the Outreach Coordinator.

If possible, consider arranging for a guest speaker, giving a proctored test or class activity, arranging for another faculty member to deliver your course content, uploading coursework on Canvas, or rescheduling the class meeting as alternatives to canceling class.

Class Cancellation Due to Weather, Disaster, or Emergency

Faculty Handbook 2024-25

You can contact the Information Center at 307-532-8200 regarding school closures. In the event of school closures or class cancellations due to inclement weather or some other disaster or emergency, please see the alert plans for your area below:

- **Torrington Campus** – a notice will be posted on the EWC Website and on [MyEWC](#). Code Red (emergency notification) will be used to broadcast college closure to students and faculty. An announcement will be made on radio station KGOS/KERM (1490 AM / 98.6 FM) and other local stations.
- **Douglas Campus** – a notice will be posted on the EWC Website and on [MyEWC](#). Code Red (telephone notification) will be used to broadcast college closure to students and faculty. An announcement will be made on radio station KKTY (1470 AM / 100.1 FM) and KKTS (99.3 FM).
- **Outreach Sites** – the Outreach Coordinator will contact the Torrington Campus so that notice can be posted on the EWC Website and [MyEWC](#). The Coordinator will also post notice within their community areas on [MyEWC](#) as well as attempt to contact all affected faculty and students.

Communication with Students

Faculty should communicate with students on a one-to-one basis regarding academic performance or other class-related concerns. When faculty cannot meet with students, contact by phone, e-mail, or Canvas Inbox is encouraged.

Official student phone numbers and email addresses can be found in student records through [MyEWC](#).

It is recommended that faculty maintain a log of phone calls to students. It is recommended that all e-mail correspondence with students make use of their [MyEWC](#) mailing address (of the form username@ewcmail.wy.edu). A copy of all mail sent and received should be kept. Communication related to a specific class may be directed through the Inbox on Canvas.

Final Exams

Final Examination times are scheduled for all classes. Although the instructor is required to meet with students during the scheduled Final Examination time, the instructor has the right to determine the appropriate final examination activity within the framework of meeting the educational expectations of the discipline, department, and college. The VPAS has the right to excuse a student from a final exam or to re-schedule a final exam. A student who has three or more final examinations scheduled for the same day may make arrangements with the VPAS to reschedule the exams so that the student has no more than two in a single day.

Midterm Grades

While faculty are directed to provide ongoing and updated grades to students via Canvas, they should formally assign a current grade to each student in their class using [MyEWC](#) midway through each regular semester.

All faculty should submit midterm grades through [MyEWC](#). Faculty may choose to submit a midterm grade (A, B, C, D, F, S, or U) or a midterm deficiency notice (DF).

Faculty Handbook 2024-25

Final Grades

Faculty will assign a final grade to all students enrolled in their classes. These grades will follow the grading scheme for the course as outlined in your syllabus; i.e. a letter grade of A, B, C, D, or F, Satisfactory/ Unsatisfactory (S/U).

A grade of "F," or "Unsatisfactory," must be accompanied by an accurate last date of attendance. Grades must be entered through [MyEWC](#) by noon on the Tuesday following the conclusion of each regular semester. Once the semester is over, an instructor may initiate a grade change if necessary, using the Grade Change form available from the Student Services office.

Special Grades

- **AU – Audit**
 - Assign this grade to students who are listed as taking your class for zero (0.00) credits. If you mistakenly enter a different grade for an auditing student, their grade will automatically revert to AU.

If a student is unable to complete coursework for any reason, one of the following special "grades" may apply:

- **X – Incomplete**
 - Assign this grade if you are willing to make a contract with the student for course completion within the next academic semester. An Incomplete Contract Course form is available from Academic or Student Services. Faculty must submit a Grade Change form for each student with an actual final grade to Student Services immediately after the work is complete.

Students view their final grades through [MyEWC](#). The current credit total, cumulative grade point average, semester grade point average, and a list of all courses completed is displayed on the grade report. Student financial aid is affected by final grades; grades of U, F, X, W, and IP do not count toward successful completion of classes.

Programs & Curriculum

Curriculum Changes

Processes for curriculum changes will fulfill the expectations of state and federal coordinating agencies. All changes must be submitted to the VPAS, who will review the proposed changes with the Curriculum and Learning Council (CLC). CLC forms are available at [M:Instruction>Public>Forms-curriculum and contracts](#).

Factors such as educational merit, availability of faculty, cost, scheduling, and use of resources will be considered. Forms for adding courses, deleting courses, changing courses, adding programs, and deleting programs will be available from the VPSAS. The Board of Trustees will make the final decision on all requests for new programs or for program deletions. Additionally, new program requests must be submitted and approved by the Wyoming Community College Commission.

Program Reviews

Faculty Handbook 2024-25

Regular program reviews for each program will be conducted by the college at least every three years. The analysis will involve faculty, Program Directors, Department Heads, advisory committees, and the VPAS in assessing the program's effectiveness and efficiency. The Board of Trustees will review all program reviews prior to submission to any state or federal agency. Forms specifying the statistical data needed, and the accompanying narrative analysis, will be available from the Institutional Research Office. The Program Review template is available at [M:Instruction>Public>Program Reviews](#).

Credit Hour Definition

A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally-established equivalency that reasonably approximates:

1. One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester; or
2. At least an equivalent amount of work as required in paragraph (1) of this definition for other activities as established by the institution, including laboratory work, externships, practical, studio work, and other academic work leading toward the award of credit hours.

Course Scheduling Guidelines

Classes at EWC are generally scheduled using 55-minute or 85-minute class meetings, providing for a 5-minute break between classes, according to the following timetable:

2-credit Courses		3-credit Courses	
MW	TTh	MWF	TTh
8:00 - 8:55 am	8:00 - 8:55 am	8:00 - 8:55 am	
9:00 - 9:55 am	9:00 - 9:55 am	9:00 - 9:55 am	9:00 - 10:25 am
10:00 - 10:55 am	10:30 - 11:25 am	10:00 - 10:55 am	10:30 - 11:55 am
11:00 - 11:55 am	11:00 - 11:55 am	11:00 - 11:55 am	
12:00 - 12:55 pm	12:00 - 12:55 pm	12:00 - 12:55 pm	
1:00 - 1:55 pm	1:00 - 1:55 pm	1:00 - 1:55 pm	1:00 - 2:25 pm
2:00 - 2:55 pm	2:30 - 3:25 pm	2:00 - 2:55 pm	2:30 - 3:55 pm
3:00 - 3:55 pm	3:30 - 4:25 pm	3:00 - 4:25 pm (MW only)	4:00 - 5:25 pm

Other Considerations

1. Courses meeting on multiple days should meet at the same time each day to avoid additional course conflicts in other time blocks.
2. Courses (such as special interest or vocational courses) in which no student would have a conflict with other scheduled courses could, upon approval by the appropriate Program Director or Department Head, be offered at a time other than those specified above. Generally, though, all classes should be scheduled in these time slots, so that we do not have one-time slot conflicting with two others.

Faculty Handbook 2024-25

3. Each full-time faculty member will be expected to teach at least two courses outside of the "prime time" block between 9:00 a.m. and 1:00 p.m. This also applies to evening courses. It is also desirable to spread out general education courses and multiple sections of the same course, so that those offerings don't cluster in that "prime time" block.
4. Scheduling time slots for evening classes are open; however, a class must meet the 800 or 1600 (labs) minutes/per credit hour excluding breaks. Day classes cannot include final week to meet this criteria but night classes can count their last meeting date. The class must meet the last day even if the instructor does not have a final exam.
5. Creative scheduling options outside of the "prime time" block are encouraged, as long as the options are compatible with student schedules and facility resources.

Institutional Policies

Student Confidentiality/FERPA

The substance of the Family Educational Rights and Privacy Act (FERPA, also known as the "Buckley Amendment") is of critical importance to the college and staff. This act states that any student age 18 or over or attending a post-secondary institution ***must give permission before a representative of an educational institution may share confidential information about that student with anyone outside the educational institution.*** Record keeping personnel, members of the faculty, and staff with administrative assignments may have access to records and files for internal educational purposes, as well as for routinely necessary clerical, administrative, and statistical purposes as required by the duties of their jobs.

Faculty should not post student grades in any public manner.

Read and understand the EWC Family Educational Rights and Privacy Act of 1974 (see the EWC Catalog), the student handout entitled "Notification of Rights of Parents and Students Under 'Family Educational Rights & Privacy Act (FERPA).'" www.ewc.edu/consumerinformation

Student Background Checks

Courses where students will be interacting with others outside of the control of a classroom or lab, such as pre-school or K-12 classroom observations and practicum, healthcare observation and clinicals, or animal handling, require that the student undergo a criminal background check. Students will register for the class (for example EDUC 0010 or NRST 0010 or VTTK 0010) specifically for the purpose of tracking background checks and then order their background check online through CastleBranch. The College will bill Certified Nursing Assistant and Education students for this service; Vet Tech students pay at the time they enter their background information. Results of the check can be viewed by the student and pre-approved staff in the Student Services and Academic Services offices, and include a criminal history check in all counties of student residence for the past 7 years along with a nationwide database including sex offender registries. Background check results are good for one (1) calendar year and are placed in the student's academic file. The process can take from 3-10 days to complete.

Faculty Handbook 2024-25

Some programs require background checks prior to acceptance (Nursing ADN and Gunsmithing). Please see the EWC Catalog for additional guidance.

Subject Animals for Veterinary Technology Labs

Veterinary Technology facilities, equipment, and supplies are to be used only for the direct educational benefit of EWC students participating in the program. Reimbursement for the cost of procedures performed on privately owned animals will be made to EWC by the animal's owner.

The priority of animals to be utilized in the vet tech program shall be in the following order:

1. Animals owned by EWC;
2. Animals owned by veterinary technology students;
3. Animals acquired from local humane shelters (non-profit);
4. Animals owned by veterinary technology faculty and staff;
5. Animals owned by EWC faculty and staff;
6. Animals owned by the general public.

Reporting Concerns Regarding Animal Treatment

"Whistleblower Statement:" All animals used at EWC (EWC) must be handled, housed, treated, cared for, and transported in a humane and ethical manner in accordance with federal law and college rules. Any person having reason to question the treatment of animals at EWC is encouraged to report incidents involving perceived non-compliance without fear of retaliation.

- Any person having reason to question the humane or ethical treatment of animals at the college should contact the Institutional Animal Care and Use Committee at the anonymous number 855-392-2273 (855-EWC CARE.) No threat or retaliation will be made against anyone reporting perceived mistreatment or non-compliance. In addition, reports can be made to any standing member of EWC's Institutional Animal Care and Use Committee.
- Students may also choose to make an anonymous complaint by filling out the online form at www.ewc.wy.edu/whistleblower
- All complaints and documentation will be brought to the attention of the Institutional Animal Care and Use Committee (IACUC).
- Anonymous concerns are acceptable, and all reports will be investigated. Federal laws and college rules prohibit discrimination or reprisal for reporting violations of standards and regulations promulgated under the Animal Welfare Act. All concerns will be discussed by the IACUC and, if warranted, appropriate measures will be taken.
- All complaints, violations, and recommendations for subsequent action will be forwarded to the Institutional Official.

*The Institutional Animal Care and Use Committee (IACUC) is a self-regulating entity that, according to U.S. federal law, must be established by institutions that use laboratory animals for research or instructional purposes to oversee and evaluate all aspects of the institution's animal care and use program. <http://www.iacuc.org/>

Eastern Wyoming College
Torrington, Wyoming
Employment Contract

Tenured

Eastern Wyoming College hereby appoints XXXXX XXXXXX to the position of XXXXXXXX Instructor. This appointment is subject to the conditions of service applying to all full and part-time teaching, support services, and administration personnel. All full-time faculty are expected to teach fifteen (15) hours per semester with a total of thirty (30) per academic year. EWC requires a minimum of five (5) on campus office hours held throughout the week. Office hours must be shared and posted. Changes in the instructional delivery of courses require prior approval of the department chair/program director and Vice President for Academic Services. Your responsibilities will be those indicated by your position and such other duties as may be assigned. This contract's period of performance is 9 months during Wyoming Fiscal Year 2023 beginning August 15, 2022, and expiring May 15, 2023. While employed at EWC you are subject to all policies, rules, and procedures governing employees.

The period covered by this contract, unless otherwise set forth herein, shall not exceed one year. It is understood and agreed that this contract will terminate upon the expiration of its terms set forth above. The employee understands that this contract can only be renewed by an affirmative act of the Board of Trustees and no other employee of the college, including the President, or any other Board member acting as an individual, has authority to bind the college. This contract shall be final and complete as of the expiration date set forth above.

Subject to the terms of EWC Board Policy 3.20, Reduction In Force, a tenured faculty member has the right to hold their position during efficient and competent service and the right not to be removed therefrom except for such causes as incompetency, neglect of duty, physical or mental causes, incapacity, dishonesty, insubordination, immorality, conviction of a felony, or for demonstrably bonafide financial exigencies on the part of the institution. When a faculty employee resigns or otherwise voluntarily leaves employment with EWC, that instructor's tenure rights, status, and expectations end.

This contract contains the entire agreement between the parties, and any prior oral or written representations by any of the parties are void, and neither party has relied on any such prior representations in entering into this contract. The terms of this contract shall not be altered, amended or modified except in writing signed by a duly authorized officer of the college and by the employee.

Employee's contracted salary for Fiscal Year 2023 is \$xx,xxx.xx. Such sum payable in 12 monthly installments. It is specifically agreed and understood that payment of the salary is subject to available resources of college funds.

Termination of services within the above stated period shall limit payments to a prorated amount that is based on the percentage of contract completed.

The undersigned employee signifies acceptance of this agreement, which is subject to approval by the Board of Trustees, by signing this contract. All parties agree and understand this Employment Contract will be considered rejected if not signed by the Employee and returned to Eastern Wyoming College within 30 days of the most recent President or Chair signature below. A signed copy of this agreement shall be returned to the employee's Personnel File.

I, the undersigned, accept the terms of this agreement.

Appendix D

1. Tenure process

- a. The tenure process at EWC commences at the candidate's date of hire. Faculty with dates of hire prior to 2019 will adhere to the five-year tenure process previously in place. New faculty hired beginning fall 2019 semester or thereafter will adhere to the three-year tenure process.
- b. Employment during summer terms and/or in part-time positions shall not be credited towards tenure.
- c. When a non-tenured faculty member is serving in a department or academic unit and is subsequently transferred to another department or unit, time spent in the first appointment shall count toward establishing tenure.

2. Tenure Mentors

A mentor will be assigned to all newly appointed full-time faculty. Mentors will be tenured full-time faculty who serve as a resource to the faculty member during their tenure process. Mentor responsibilities include, but are not limited to the following:

- a. Act as a resource for questions, policies, procedures, perspectives, advice, and support
- b. Check proactively with the new hire to see how they are doing (weekly as schedules permit)
- c. Be a resource for classroom/instruction ideas, problems, and issues
- d. Help with student advising
- e. Be available to review syllabi
- f. Provide community resources, information, and guidance
- g. Help develop collegial relationships with others
- h. Advise tenure candidates on appropriate service activities
- i. Assist candidates with the tenure process, including completing the annual On-Track Checklist
- j. Review and sign the tenure portfolio checklist prior to February 1 of the third year of the tenure process

3. Review Process

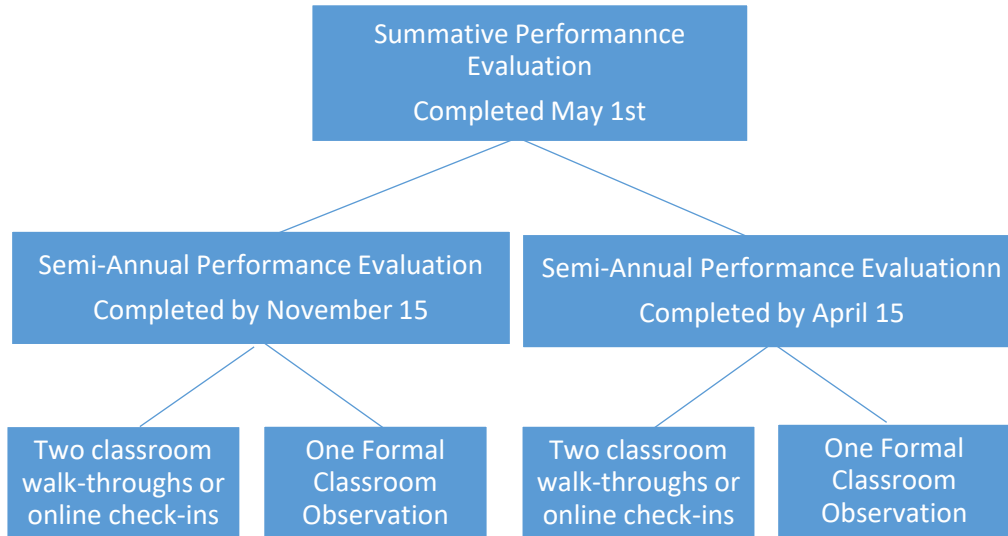

Upon appointment, Academic Services will provide all faculty a calendar/schedule of the review process to ensure understanding of expectations. Observations and/or evaluations scheduled to be completed after February 1 of the third year of the tenure process will not be included.

- a. Review Process will include:
 - i. Annual On-Track Checklist
 1. Completed prior to March 31 (during the first two years of the tenure process)

Faculty Handbook 2024-25

- ii. All Student evaluations of instruction each semester
- iii. Classroom observations by supervisor each semester
 - 1. Two (2) unscheduled classroom walk-throughs or online check-ins per semester for a total of 60 minutes
 - 2. One (1) formal observations per semester

- iv. Semi-annual performance evaluations by supervisor (including self-assessments)
 - 1. Completed prior to November 15 and April 15
- v. Summative evaluation by supervisor
 - 1. Completed prior to May 1

4. Tenure Committee

Appointments are made by the Vice President Student & Academic Services at the start of the candidate’s third year of the tenure process and will include:

- a. Faculty mentor
- b. Two tenured faculty members; one from the academic unit and one from outside the academic unit
- c. Department Head or Program Director
- d. A Department Head or Program Director from outside the academic unit
 - i. A former Department Head/Program Director of the candidate’s may be substituted if the current Department Head/Program Director has had only one year of experience with the candidate.

5. Tenure Committee Appointments

- a. Recommendations for or against tenure shall be determined by a majority vote by the tenure committee and be reviewed by the Vice President Student & Academic Services.
 - i. The votes and recommendation will be reported on the *Tenure Committee Recommendation* form.
 - b. The Vice President Student & Academic Services shall submit tenure recommendations to the President by March 1. Tenure is a policy of the College Board rather than a legal contract. The Board extends to the College President the authority to grant tenure for faculty employees pursuant to Board Policy 3.3
- Continuing Contract/Tenure.

6. Minimum Eligibility Requirements

- a. Completion of three continuous years of service as a full-time faculty member
- b. Submission of a complete tenure portfolio containing the required and optional elements indicated below and representative of the criteria for tenure prior to February 1 of the third year of the tenure process
- c. Submission of a tenure portfolio checklist completed by the candidate and signed/approved by the candidate's mentor prior to February 1 of the third year of the tenure process

7. Criteria for Tenure Recommendation

Criteria for tenure relate to the college's three traditional and often inter-related missions: teaching, service, and, optionally, scholarship/creative activities/research

- a. Teaching – Effective teaching is an essential qualification for tenure, and tenure should be granted only with clear and documented evidence of teaching ability and potential for continued development.
 - i. Evidence of effective teaching – the ability to organize, present, motivate, and stimulate student learning. This should be included in the tenure portfolio which must be complete with the following required materials and other optional materials.
 1. Required: Statement of teaching philosophy
 2. Required: Classroom observations for every review period
 - a. Three classroom walk-throughs/online check-ins and two formal observations per semester (excluding the final semester of the tenure process)
 3. Required: Supervisor performance evaluations for every review period
 - a. Five total, prior to November 15 and April 15 (excluding the final semester of the tenure process)
 4. Required: Supervisor summative evaluations for the first two review periods
 - a. Two total, prior to May 1 (excluding the final year of the tenure process)
 5. Required: Student evaluations of all classes taught during the tenure period
 6. Required: Course materials (syllabi, lesson plans, lecture notes, laboratory assignments, etc.)
 - a. A minimum of one per semester (6 total) and should include a variety of classes
 7. Required: CATs
 - a. A minimum of one per year (3 total)
 8. Course Assessment Results /Program Assessment Results (beginning in Fall 2022)
 9. Optional: Open-ended or other student input

10. Optional: Teaching recognition or awards received during the tenure period
 11. Optional: Other evidence of excellence in teaching or mentoring
- b. Service – encompasses a faculty member’s activities in college service, community service, and professional service. Faculty members must demonstrate a willingness and ability to work effectively with colleagues and in a professional manner to support the mission of EWC as evidenced through semi- annual and summative supervisor evaluations.
- i. *College service* refers to activities other than teaching and scholarship performed at the department or college level. This may include but is not limited to service on at least one committee or one sponsorship during the three-year tenure process.
 1. Service on committees
 - a. Required: All committee membership and length of terms
 2. Club sponsorship
 - a. Required: All sponsorships and duration
 3. Participation in college activities
 - a. Optional: Evidence of participation in other college activities
 - ii. *Community service* is the candidate’s public service beyond EWC. At least one community service activity should be performed during the three- year tenure process.
 1. Required: Evidence of participation in community service activities
 - iii. *Professional service* refers to the work done for organizations related to the faculty member’s discipline or to the teaching profession generally. At least one professional activity should be performed during the three-year tenure process. This may include but is not limited to:
 1. Service on statewide committees or licensing boards
 2. Guest lecturing on other campuses
 3. Instructing professional development or educational activities
 4. Other appropriate activities. The candidate should discuss appropriate activities for evidence with the candidate’s mentor.
 - a. Required: Evidence of participation in professional service activities
- c. Scholarship/Creative Activities/Research – optional activities that faculty may engage in relevant to their professional or academic roles and are outside of teaching or service. Examples may include but are not limited to:
- i. Journal editorship
 - ii. Article and grant proposal review
 - iii. Performances or exhibitions
 - iv. Advanced certifications
 - v. Completing books, journal articles, or publications

- vi. Other appropriate activities. The candidate should discuss appropriate activities for evidence with the candidate's mentor.
 - 1. Optional: Documented evidence of included scholarship/creative activities/research

8. Stopping the Tenure Clock

- a. A faculty member may request to stop the tenure clock during the three-year tenure process when circumstances exist that interrupt the faculty member's normal progress toward qualifying for tenure.
- b. A request can only be made once for a one-year period, may be granted if the faculty member can demonstrate circumstances that reasonably warrant the request, and must be approved by the President of the College based upon recommendation by the Vice President Student & Academic Services.
- c. Reasons will typically be related to a personal or family situation requiring attention and commitment that consumes the time and energy normally addressed to faculty duties.
 - i. Examples may include childbirth or adoption, care of dependents, medical conditions or obligations, physical disasters or disruptions, or similar circumstances.

9. Transfer of Tenure

- a. When a tenured faculty member is transferred from one academic program unit to another academic program unit, tenure status will be retained.

When a faculty member with tenure is appointed to an administrative or non- faculty position, faculty will retain tenure in the former faculty position only
