

FINANCIAL AID OFFICE 2025-2026 DEPENDENT VERIFICATION WORKSHEET

Your 2025-2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal law requires that we confirm information reported on your FAFSA before awarding federal student aid. We will compare the information reported on your FAFSA to this and all supporting documentation, making any necessary corrections on your FAFSA. Please submit this worksheet and any other required documents noted in Self Service for our review, understanding that additional documentation may be requested once we review the original documentation. This, and all other documentation, must be received and fully reviewed before any federal aid will be made available.
