General Information

The goal of the Zonta Young Women in Leadership Award is to encourage young women to participate in leadership positions by recognizing the candidate's commitment to the volunteer sector, evidence of volunteer leadership achievements and a dedication to building a better world for women and girls through service and advocacy.

In order for more women to be represented in key decision-making positions worldwide, we must encourage young women to pursue careers or seek leadership positions in public policy making, government and volunteer organizations and further their education with these aims in view.

Application Process

The application process must start with a Zonta club. All application materials must be received at a Zonta club by the deadline given by the individual club. If you downloaded the application from the Zonta International website, you must contact a Zonta club for deadline information. Zonta International Headquarters does not have a list of the individual clubs' deadlines.

Zonta clubs each select one application to send to the Zonta governor representative. A district evaluating committee reviews the applications and selects one applicant per district to submit to Zonta International Headquarters. The five largest districts in terms of Zonta membership may submit a second applicant to Zonta International Headquarters. The Zonta International Headquarters team confirms the eligibility of the

applicants put forth by the districts and submits a recommendation to the Zonta International Board (or the Executive Committee acting on its behalf) for final approval. If approved by the Zonta International Board, the Zonta Foundation for Women provides awards and certificates to the international recipients.

How May I Use the Award Funds?

1. There are no restrictions on the use of funds.
2. Please note: If the applicant is studying at a secondary school, university or college, Zonta International is offering a "scholarship" type of payment to be used for tuition and/or living expenses. Please see below under Tax Considerations.
3. Recipients are not permitted to defer the Zonta Young Women in Leadership Award.
4. Recipients may accept additional grants and awards from other sources.

Tax considerations

The following considerations will help define which type of payment will fit the applicant's purposes best.

- ❑ "Award": with no restrictions for use. As an award, it is taxable income under U.S. tax regulations. To comply with the law, all awardees will receive tax forms. Also, according to U.S. tax regulations, 30% of the award must be withheld from awards made to non-U.S. residents. If Zonta International is notified that there is a U.S. tax treaty with the resident's country, the withholding will be appropriately adjusted.
- ❑ "Scholarship": to be used for tuition, fees and materials (books, supplies and equipment) required for courses at a secondary school, college or university only. As a scholarship to be used for tuition, fees and materials, the income is tax free.
- ❑ "Scholarship": to be used for living expenses while attending a secondary school, college or university. Although tuition and related expenses are tax free, income used for living expenses is considered taxable income. Tax forms will be provided to all awardees, as required. Withholdings range from \$ 0 (tax treaty), 14% (appropriate student VISA) to 30% for non-U.S. residents.
- ❑ Supplemental awards and scholarships that are paid directly paid by a club or district will follow the tax regulations of their taxing authority.
